REFUND POLICY

Refund of Course Fees and Out-of-State Tuition

If a student withdraws from the university or drops a course, the refund policy will be:

1. For changes made through the first $\frac{1}{4}$ of the term of instruction (measured in weekdays, not class days), 100 percent of the semester course fees and tuition for the net credits dropped will be refunded.
2. For changes made after the first $\frac{1}{4}$ of the term of instruction and through the end of the session, no refund will be made for any credits dropped. Any courses approved for late add will be billed in the next monthly bill.

When dropping a course, the date the notification from the department is received in the Office of the Registrar will determine the amount of refund applicable.

Appeals concerning the refund policy should be referred to the Office of the Registrar.

Net refunds due to a drop of credits or withdrawal from the university are processed daily and posted to students' accounts. Amounts due students will be applied against outstanding balances owed the University or returned to students. Questions regarding account balances should be referred to the Student Accounts Office, 140 Administration Building.

Financial Aid Refund Policy

Dropping Credits

1. Students may be billed for a portion or all of their financial aid awards if they drop credits or do not carry the minimum number of credits required for aid eligibility.
2. The value of Federal Pell Grant, Michigan State University Student Aid Grant, Federal Supplemental Educational Opportunity Grant and Michigan Competitive Scholarship is determined each semester at the end of the 100 percent refund period (first $\frac{1}{4}$ of the term of instruction). Students will be billed for aid adjustments caused by the changes in enrollment status.

Withdrawal from the University

1. In addition to billing for the dropping of credits associated with withdrawal, there may be additional billing, particularly if a student has received federal financial aid funds (including Federal Stafford Loan), which were to have covered the entire semester educational costs. Refer to the next section for more detailed information on Title IV withdrawal refund rules.

Withdrawal up until the end of the first quarter of the term of instruction will result in 100 percent billing of federal grant aid (Federal Supplemental Educational Opportunity Grant, Federal Pell Grant) and Michigan Competitive Scholarship and may also result in a partial or complete billing of loan aid (Federal Perkins Loan, Federal Stafford Loan, and other financial aid).

2. The bill calculated as a result of withdrawal will depend on the official date of withdrawal and/or the last date of attendance and the percentage and amount of institutional refund to be received.
3. Withdrawal for any semester during the regular academic year may result in cancellation of a student's financial aid award for the remainder of the academic year. If a student wishes to reapply for funds for spring semester, a written request must be submitted to the Office of Financial Aid within 30 days of withdrawing from the university.

Return of Funds Policy for Title IV Aid Recipients Who Withdraw

The Higher Education Amendments of 1998 set forth regulations governing the treatment of Title IV funds when a student withdraws from an institution.

When a student withdraws during an enrollment period in which they have begun attendance and received federal Title IV financial aid, Michigan State University is required to determine the amount of earned and unearned Title IV aid. A student is only eligible to retain the percentage of Title IV aid disbursed that is equal to the percentage of the enrollment period that was completed by the student (calculated daily). The unearned Title IV aid must then be returned to the appropriate federal aid program(s). If more than 60% of the enrollment period has been completed by the student, no Title IV aid needs to be returned.

According to university policy, when a student withdraws prior to the quarter of the semester and/or receives a 100% tuition refund from the University, all of that semester's federal Title IV grant aid (SEOG-SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT, Pell Grant, Academic Competitiveness Grant, National Smart Grant, Federal TEACH Grant) will be billed back to the student's account. Most non-federal aid will also be billed back to the student's account. All Title IV aid will be included in the calculations outlined below. Depending on the results of the calculation, some or all of the federal grant aid may be re-disbursed to the student account.

The following steps will be followed when determining the amount of Title IV aid to be returned upon withdrawal:

1. *Determine percentage of enrollment period completed by student.* Divide the number of days attended by the number of days in the enrollment period. If the calculated percentage exceeds 60%, then the student has earned all Title IV aid for the enrollment period.
2. *Calculate the amount of earned Title IV aid.* Multiply the percentage of the enrollment period completed by the total Title IV aid disbursed (or could have been disbursed as defined by late disbursement rules).
3. *Determine amount of unearned aid to be returned to Title IV aid program accounts.* Subtract the amount of earned federal aid from the total amount of federal aid disbursed. The difference must be returned to the appropriate Title IV aid program(s).
4. *Return of Title IV funds by institution and student.*
 - a. Michigan State University will return unearned Title IV aid up to an amount that is equal to the total institutional charges for the payment period multiplied by the percentage of the Title IV aid that was unearned. Generally, a student's tuition and fee refund and/or University Housing refund will satisfy this liability. On occasion, however, particularly when the student remains in University Housing beyond the withdrawal date, a bill will result.
 - b. The student will be responsible for the balance of unearned Title IV aid. In most cases, this will be the amount of federal aid funds a student received in the form of a refund for non-institutional expenses multiplied by the percentage of Title IV aid that was unearned.
 1. If the student's portion of aid to be returned is a loan, then the student is not immediately required to repay the loan. The terms of the original loan repayment agreement will apply.
 2. If the student's portion of aid to be returned is an overpayment of a grant, the student is required to only repay 50 percent of the grant overpayment. Michigan State University will restore the grant funds to the appropriate federal account, with a resulting charge to the student's account. The stu-

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

Costs

dent will be responsible for repaying Michigan State University for the grant overpayment.

- 5. *Unearned Title IV Funds will be returned to federal programs in the following order:*
 - Unsubsidized Federal Stafford Loans
 - Subsidized Federal Stafford Loans
 - Federal Perkins Loans
 - Federal Parent PLUS Loan
 - Federal Pell Grants
 - Academic Competitiveness Grants
 - National Smart Grant
 - Federal Supplemental Educational Opportunity Grants
 - Federal TEACH Grant

Federal Title IV Aid and Unofficial Withdrawals

If a student begins to attend class, receives federal Title IV aid, but then ceases to attend class without providing official notification to the university, the federal government considers this to be an "unofficial withdrawal." For Title IV purposes, the withdrawal date for students who unofficially withdraw is considered to be the midpoint of the semester unless a documented last date of attendance can be determined. However, if the university determines that a student did not provide official notice of the intent to withdraw due to illness, accident, grievous personal loss or other circumstances beyond the student's control, the university may use a date that is related to that circumstance. The refund rules for Title IV aid recipients who withdraw are then followed to determine the unearned portion of Title IV aid that must be returned to the appropriate aid program(s).

Example of a Title IV return of funds calculation for a Title IV recipient who withdraws:

Institutional Charges	\$5,000
Title IV Loans	\$2,000
Title IV Grants	\$1,000
Total Title IV Aid	\$3,000

Student withdrew on 35th day of a 110-day enrollment period

Percent Earned	35/110 = 32%
Percent Unearned	100% - 32% = 68%
Amount of Title IV Aid Unearned	\$3,000 x 68% = \$2,040

Michigan State University is responsible for returning the lesser of unearned Title IV aid (\$2,040 from above) or unearned institutional charges (\$5,000 x 68% = \$3,400). Michigan State University will return aid as follows:

Title IV Loans	\$2,000 (student's remaining loan debt = 0)
Title IV Grants	\$40

The student's responsibility is amount of aid unearned (\$2,040) less school responsibility (\$2,040), which is zero.

The example shown above does not reflect every student refund situation that may exist. More detailed calculation examples are available in the Student Accounts Office, 140 Administration Building, East Lansing, MI 48824, 1-517-355-5050, Fax 1-517-353-9640. Questions regarding the Return of Title IV Funds Policy for students who withdraw should be addressed to the Student Accounts Office.

The University reserves the right to amend the Title IV Return of Funds Policy at any time in order to comply with Federal regulations.

Refund Rules for Other Fees, Taxes, Assessments

The *Registration Fee, Engineering Program Fee, Science and Technology Fee, Health Science Program Fee and Broad College of Business Program Fees* or the differential is refunded in the same percentage as course fees when withdrawing from the University or dropping from above 4 credits to 4 credits or less.

Student government taxes, FM Radio tax, and The State News assessments are refundable upon presentation of the appropriate receipt at the respective organization's office.

Late registration fees will not be refunded.

Residence hall housing fees are refunded on a pro-rata basis, based on certain variables. Generally, the cost of the room will be prorated as of the day following departure and meals will be prorated based on number of meals eaten and/or day of departure. Details and procedures are found in the Housing Contract.

University apartment rent refunds are pro-rated from the day following the official check-out time.

In general, all fees collected by Michigan State University and their respective refund policies shall be subject to judicial review as provided in Academic Freedom for Students at Michigan State University.

Tuition and related fees which do not appear on the Registration Billing Statement (such as subsequent course adds) will be deferred if they appear on your account prior to your becoming a registered student for the semester (you will become registered when at least the minimum amount due on the registration bill is paid, attendance is confirmed if no payment is due, and any holds are cleared). Otherwise they will be included on the next monthly bill. Students living in University Residence Halls are able to defer up to two-thirds of their residence hall charges. The amount deferred is divided into two installments. Approximate installment due dates are listed below. If a student enrolls by the date specified in the *Billing and Fee Payment Schedule*, the Registration Billing Statement will list several payment options (if a student enrolls subsequently, they will not have the option to defer tuition). If the student's payment is at least the "Minimum Amount Due" and less than the "Amount to Avoid Deferment," then the deferred payment plan option will be assumed. Both actual and pending financial aid is first applied against the "Minimum Amount Due." Financial Aid exceeding the "Minimum Amount Due" will then reduce the tuition deferment and subsequently reduce any housing

deferment. A \$10.00 payment plan service fee will be charged whenever the option to defer either tuition or housing for a semester is elected. A finance charge of 12% per year will be assessed on deferred tuition and related charges. There is no finance charge assessed on unpaid housing charges.

	First Payment	Final Payment
Fall Semester	October 1	November 1
Spring Semester	February 1	March 1
Summer Semester	July 1	August 1

A \$25 late payment charge will be made whenever either installment for the semester is made after the due date. Students will be held from enrolling and registering for future semesters whenever current semester deferred payments are past due. Failure to make deferred payments on a timely basis may also result in the loss of the opportunity to defer payments.

The deferred payment option for summer semester is subject to the student's class end date for the summer session.

Financial Aid

All financial aid (except College Work Study) which has been authorized at the time the Registration Billing Statement is produced will appear on the bill. There are two types of financial aid — actual and pending.

Actual financial aid is aid which students are eligible to receive, as of the date of the registration bill. This aid will be listed in the detailed transaction section of the bill. It has been applied to the fees owed, reducing the amount owed.

Pending financial aid will be listed separately on the bill, in the 'temporary Transaction Information' section. Pending aid is not an actual payment on the account; it does not reduce the amount owed. Pending aid is only used to reduce the 'Minimum Amount Due' on the Registration Billing Statement. In order for pending aid to become actual aid, further action on the student's part may be needed. Please refer to 'eFINAID' on STUINFO, the student online system (www.stuinfo.msu.edu) for information on actions that may be required.

Eligibility for each of the different awards is monitored at various points in the semester, ranging from the point of time it is credited to the account, to the end of the semester. Refer to the financial aid award notification, or contact the Office of Financial Aid, for more specific information.

If the total of actual financial aid (no longer pending aid) exceeds the amount owed and registration has been completed, the student may be entitled to a refund. Refunds will be directly deposited or mailed to the local address if available during the week before classes begin. If your aid and registration are finalized after this mailing, refunds are produced nightly and mailed or directly deposited the following workday through the 3rd day of classes (approximately). After this period, refunds are produced and directly deposited or mailed weekly. **NOTE:** Financial aid for a current semester may be used to pay past due Controller's Office debts up to \$200 maximum to enable a student to become registered. The student must contact the Student Accounts Office in 140 Administration Building to request this service. If the student is unable to enroll because of a past due debt, the student must meet in person with a Financial Aid Officer to determine available resources before contacting the Student Accounts Office. Once a student is registered, financial aid for the current semester will be automatically used to pay any past due Controller's Office debts up to a maximum of \$200 unless the student informs the Student Accounts Office to the contrary in writing 10 days before the start of the semester.

National Merit Scholarship

The National Merit Scholarship appears as a temporary credit on your registration bill until Michigan State University receives actual funds from National Merit at the beginning of the semester.

Books

Costs for books vary widely for the various academic programs. The average cost for undergraduates is estimated to be approximately \$490.00 per semester and for graduates is \$690.00 per semester.

Returned Items

[Includes rejected electronic check/Automated Clearing House (ACH) payments]

A \$25.00 returned item service charge and a \$50.00 late registration fee will be assessed to a student whose registration check/ACH is returned from their financial institution to MSU unpaid. Students failing to make payment in full for returned items (and any applicable fees) by the date stated on the notification letter will have their registration canceled.

There is a \$25.00 returned item service charge assessed for each non-registration check/ACH that is returned to MSU unpaid.

In addition to the returned item service charge, the university reserves the right to take one or more of the following actions:

1. Place an immediate enrollment and registration hold.
2. Place the individual on the University Bad Check/ACH List which precludes the individual from presenting checks to the University for any reason and may be a cause for denying future short term loans.
3. Transfer the debt to a collection agency.
4. File a complaint with the police for possible prosecution.
5. Refer the student to the Judicial Affairs Office for disciplinary action.
6. Bring civil action against the individual for the amount of a returned check/ACH not redeemed within 30 days of the date of the notification letter and \$250 in costs. In addition, the court could rule that you must also pay the greater of \$100 or two times the amount of the returned check/ACH. If you pay the total amount due within 30 days, no civil action will be taken against you.

PRINCIPLES AND INSTRUCTIONS GOVERNING MSU STUDENT IDENTIFICATION CARDS

Principles

1. Each student of Michigan State University is issued an identification (ID) card following initial enrollment.
2. The ID card is the property of Michigan State University.
3. Library privileges, access to university buildings, facilities and classrooms, and purchase of tickets and entry into athletic and entertainment events may require the possession and presentation of the ID card upon request.
4. Alteration, falsification, or misuse of the ID card is a violation of General Student Regulation 5.00 and other regulations as applicable.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

Costs

Instructions

1. Each student is responsible for all use of the ID card whether authorized or unauthorized. The ID card should not be loaned, or left where it might be used by an unauthorized person.
2. In case the ID card is lost, go online at www.spartancash.com to deactivate meals and Spartan Cash and call the main Library 1-517-355-2333 immediately. Each student is responsible for all materials checked out of the libraries with the ID card.

ADMINISTRATIVE RULING ON HOLDS ON ENROLLMENT, REGISTRATION, READMISSION, AND UNIVERSITY SERVICES

A. AUTHORITY FOR HOLD USE

1. Financial Holds
The Vice President for Finance and Operations and Treasurer is responsible for the collection, custody, and accounting for all monies due the University. Holds may be employed to collect any financial obligations due to the University's operating funds or to student loan funds.
2. Judicial Holds
The procedures for student discipline are specified in *Academic Freedom for Students at Michigan State University, Graduate Student Rights and Responsibilities*, and *Medical Student Rights and Responsibilities*. Administrative officers and judicial bodies are specifically authorized under this administrative ruling to request of the Provost or the Vice President for Student Affairs and Services the use of the judicial hold to enforce a 'suspension' decision against a student, and to contact a student to notify him or her of an alleged violation of a regulation and pending judicial or administrative proceedings.
3. Academic Holds
Academic holds are used to assure that students abide by reasonable rules and regulations as a condition of admission to and retention in the University. Agencies of the University and academic administrators are authorized under this administrative ruling to initiate use of the academic hold for this purpose.
4. Administrative Holds
Administrative holds are also used to assure that students abide by reasonable rules and regulations as a condition of admission to and retention in the University. Agencies of the University and academic administrators are authorized under this administrative ruling to initiate use of the administrative hold for this purpose.

B. CRITERIA FOR HOLD USE

1. Financial Holds
Criteria for use of the financial hold shall be as follows:
 - a. Holds may be employed to collect any financial obligations due to the University's operating funds or to student loan funds. Examples of these obligations are: student tuition, residence hall room and board, deferred payments, traffic violations, charges for damages to University property, University housing apartment rent, past due loans, library fines, bad checks cashed by students or presented in payment of student indebtedness, charges originating in various operating units (such as the Health Center, MSU Union, Veterinary Clinic, etc.), overdrafts in student organizations accounts, etc.
 - b. Holds may not be used for collection of debts owed to any non-University agency. For purposes of this administrative ruling, registered student organizations, student government organizations, and student newspapers are defined as non-University agencies. (Exception: ASMSU Student Loan Fund.)
 - c. Except in the case of bad checks, holds may be used only in those cases in which the student has been given or sent adequate notice of his or her indebtedness and warning of hold use prior to issuance of the hold.
 - d. A current list of all University agencies authorized by the Vice President for Finance and Operations and Treasurer to issue financial holds shall be maintained by the Student Receivables Division, Controller's Office.

- e. Students are entitled to appeal the legitimacy of charges placed against them through established due process procedures. Students are expected to exercise these rights at the time of original notification of indebtedness.
 - f. A student will not be permitted to enroll for courses, be registered, be readmitted to the University, have an application for admission to a new program of study processed, or receive services such as transcripts and diplomas, if a financial hold has been placed on the student. Additionally, in some circumstances, financial aid processing may be withheld if a financial hold has been placed.
 - g. If a student has enrolled for courses and has not paid the financial obligation which created the financial hold by a specified due date, the student will be dropped from the courses in which he/she is enrolled.
2. Judicial Holds
Judicial bodies and administrative officers may make use of judicial holds in two cases:
 - a. Holds may be issued against a student who has been suspended, under the procedures outlined in *Academic Freedom for Students at Michigan State University, Graduate Student Rights and Responsibilities*, or *Medical Student Rights and Responsibilities*, to prevent the student's reenrollment and/or registration.
 - b. Holds may be issued against a student in order to require the student to appear at an administrator's office so that the student can be provided with a written statement of an alleged violation of regulations and impending judicial or administrative proceedings when attempts to reach the student by certified mail and by telephone have proven unsuccessful.
 - c. A judicial hold may prevent a student from being readmitted to the University, having an application for admission to a new program of study processed, enrolling in courses, and registering (paying of fees) depending upon the time within the academic semester when the hold is placed.
 - d. The Office of the Vice President for Student Affairs and Services or the Office of the Provost shall authorize each instance of judicial holds under the terms of the criteria in the above sections.
 3. Academic Holds
 - a. The Provost and College deans and their designees are authorized to issue an academic hold which prevents a student from enrolling in courses and registering (paying of fees) because the student (1) has not met or needs to complete an academic requirement, e.g., has not declared a major, has failed to meet conditions of reinstatement or readmission, has failed to take the international student English proficiency test, has failed to supply required transcripts; (2) has been recessed or dismissed; (3) needs to see an academic advisor due to academic-related issues; or (4) has not met or needs to complete a recognized obligation incurred in the regular course of an academic program or in using an academic service.
 - b. The student shall have had reasonable opportunity to be informed of and to comply with the academic requirement and shall have been given or sent warning prior to issuance of a hold.
 - c. To ensure that the above conditions and criteria are being met, the persons and agencies authorized to issue academic holds shall provide a copy of their hold use procedures to the Office of the Provost for review and approval.
 4. Administrative Holds
 - a. The Office of the Vice President for Student Affairs and Services will authorize agencies which may place an administrative hold which prevents students from enrolling in courses and registering (payment of fees) and/or financial aid processing. Administrative holds are placed on students who have failed to meet a requirement which has been established by University policy or regulation such as, but not limited to, financial aid requirements, student housing policy, and international student health insurance. Within this category are those regulations with which a student must comply prior to enrollment. A current list of all University agencies authorized by the Office of the Vice President for Student Affairs and Services to issue administrative holds shall be maintained by the Office of the Vice President for Student Affairs and Services.
 - b. The student shall have had reasonable opportunity to be informed of and to comply with the administrative requirement and shall have been given or sent warning prior to issuance of a hold.
 - c. To ensure that the above conditions and criteria are being met, the persons and agencies authorized to issue administrative holds shall provide a copy of their hold use procedures to the Office of the Vice President for Student Affairs and Services for review and approval.

C. FURTHER GENERAL STIPULATIONS

1. Agencies and authorized personnel of the University shall make every effort to minimize the use of holds and shall employ alternative methods to accomplish their purposes whenever feasible.
2. Procedures for financial hold use shall be developed by the Office of the Vice President for Finance and Operations and Treasurer. Procedures for judicial hold use shall be developed by the Office of the Vice President for Student Affairs and Services and the Office of the Provost. Procedures for academic hold use shall be developed by the Office of the Provost. Procedures for administrative hold use shall be developed by the Office of the Vice President for Student Affairs and Services. All procedures shall include provision for the following:
 - a. Adequate prior notice to the student (including all pertinent details) of pending placement of a hold, prior to issuance except in the case of bad checks.
 - b. Procedures for the student to challenge the placement of a hold, prior to the issuance of a hold.
 - c. While a student is in the process of appealing the case in question, the hold will not be issued.
 - d. Review by the offices responsible for developing hold use procedures to ensure that the administrative ruling on holds is being accurately and consistently followed.

3. When a student has satisfied the conditions which precipitated a hold, the responsible agency or administrator placing the hold will ensure that the hold is removed.
- D. JUDICIAL REVIEW**
This administrative ruling and all procedures and administrative decisions stemming therefrom shall be subject to judicial review as provided in *Academic Freedom for Students at Michigan State University*.

OUT-OF-STATE TUITION REGULATIONS

A person enrolling at Michigan State University shall be classified as an in-state or out-of-state student for the purposes of administering admission, fees, and tuition charges. It is the student's responsibility to register under the proper in-state or out-of-state classification. If a student has a question regarding his/her classification, the student should contact the Associate Registrar for Registration Services at least one month before registering.

The following regulations set forth the major points governing determination of in-state and out-of-state status and the payment of out-of-state tuition.

1. GENERAL PROVISIONS

- A. Students who are domiciled in Michigan are eligible to be classified as in-state for tuition purposes.
 1. For University purposes, "domicile" is defined as the place where an individual intends his/her true, fixed and permanent home and principal establishment to be, and to which the individual intends to return whenever he/she is absent from the University.
 2. An individual whose activities and circumstances, as documented to the University, demonstrate that he/she is domiciled in Michigan will be eligible for classification as an in-state student. An individual whose presence in the state is based on activities or circumstances that are indeterminate or temporary, such as (but not limited to) educational pursuits, will be presumed not to be domiciled in Michigan and will be classified as out-of-state. In order to rebut this presumption, the burden of proof is on the student to demonstrate by clear and convincing evidence that he/she is domiciled in Michigan and, thus, eligible for in-state classification.
- B. For tuition classification purposes:
 1. A student is presumed to be a dependent of his/her parents if the student is 24 years of age or younger and (a) has been involved primarily in educational pursuits, or (b) has not been entirely financially self-supporting through employment.
 2. The domicile of a dependent student is presumed to be the same as that of the student's natural parents. If only one natural parent is domiciled in Michigan, the student will be presumed to be a Michigan domiciliary regardless of whether that parent is the student's custodial parent.
 3. The domicile of a dependent student's legal guardian will be presumed to have the same evidentiary effect as that of a dependent student's natural parent, and references to parents in these regulations shall include legal guardians, only when (a) the student is the dependent of the legal guardian, and (b) such guardianship has been established due to the complete incapacity or death of the student's natural parent(s). A parent's inability to provide funds necessary to support a college education shall not qualify as complete incapacity.
- C. Before it grants a student in-state status for tuition purposes, the University will usually require that student to have continuously resided in Michigan for one year immediately preceding the first day of classes of the term in which the student is applying for in-state classification. The year of continuous presence is never the only criterion used for determining in-state classification and, in itself, will not qualify a student for in-state status. Nor will a student's failure to have continuously resided in Michigan for one year automatically prevent the student from obtaining in-state status. If the student presents clear and convincing evidence which demonstrates the establishment by the student of a Michigan domicile, the student will be eligible for in-state classification even if the student has not resided in Michigan continuously for one year prior to the first day of classes in the applicable term.

2. ESTABLISHING MICHIGAN DOMICILE

- An applicant or student may provide any and all evidence that he/she believes will prove that he/she is domiciled in Michigan. No one type of evidence will be considered dispositive of the issue of domicile. Rather the University will consider all of the evidence provided to it concerning a claim of domicile.
- A. Circumstances which may demonstrate Michigan domicile. The following circumstances and activities, though not conclusive, may lend support to a claim to eligibility for in-state classification. This is not an exhaustive list.
 - In the case of a dependent student, at least one parent domiciled in Michigan, as demonstrated by the parent's permanent employment, establishment of a household and severance of out-of-state ties.
 - Student employed in Michigan in a full-time, permanent job, provided that the student's employment is the primary purpose for the student's presence in Michigan.
 - Student's spouse employed in Michigan in a full-time, permanent job, provided that the spouse's employment is the primary purpose for the student's presence in Michigan.
 - B. Circumstances which do not demonstrate Michigan domicile. The circumstances and activities listed below are temporary or indeterminate and, in and of themselves, do not demonstrate domicile in Michigan:
 - Enrollment in a Michigan high school, community college or university
 - Employment in Michigan that is temporary or short-term
 - Military assignment in Michigan
 - Employment in Michigan in a position normally held by a student
 - Ownership of property in Michigan
 - Presence of relatives (other than parent for a dependent) in Michigan
 - Possession of a Michigan driver's license or voter's registration
 - Payment of Michigan income or property taxes
 - The student's statement of intent to be domiciled in Michigan

- Enrollment in a Michigan high school, community college or university
- Employment in Michigan that is temporary or short-term
- Military assignment in Michigan
- Employment in Michigan in a position normally held by a student
- Ownership of property in Michigan
- Presence of relatives (other than parent for a dependent) in Michigan
- Possession of a Michigan driver's license or voter's registration
- Payment of Michigan income or property taxes
- The student's statement of intent to be domiciled in Michigan

3. PRESUMPTIONS OF IN-STATE CLASSIFICATION

- A student will be presumed eligible for in-state classification in the following circumstances:
- A. If a student, the spouse of a student, or the parent of a dependent student, is an active member of the regular armed forces who maintains Michigan as his/her official home of record, is registered to vote in Michigan and files a Michigan income tax return as a resident, the student shall be classified as in-state.
 - B. If a student, or the parent of a dependent student, is domiciled in Michigan but has been temporarily transferred outside Michigan by his/her employer (but has not become domiciled outside Michigan), the student shall be classified as in-state.
 - C. If a student, or the parent of a dependent student, is a missionary funded by a Michigan church, and the student or parent was domiciled in Michigan at the time he/she went on the mission, the student shall be classified as in-state.
 - D. If the parent of a dependent student, or an independent student (as defined by The Higher Education Act of 1965, section 480(d)), has been employed as a migrant worker in Michigan for a minimum of two (2) months each year for three (3) of the five (5) years prior to the date of the proposed in-state classification or for a minimum of three (3) months each year for two (2) of the five (5) years prior to the date of the proposed in-state classification, the student shall be classified as in-state. Proof and verification of employment is required. A migrant worker in Michigan is defined under these Regulations as an individual who travels from location to location pursuing seasonal agricultural or related industry employment. The term migrant worker does not include any family member of a person who owns or operates a farm, ranch, or other agricultural (or related industry) business.
 - E. A student, the spouse of a student, or the parent of a dependent student who, is a veteran of at least 12 consecutive months of active United States military service prior to honorable separation, or as a member of the Reserve or National Guard, was mobilized for at least 12 months of active military service, and who moves to Michigan with the intent to become a domiciliary of Michigan within 90 days following discharge or return to non-active duty, shall be classified as in-state.
 - F. A member of the armed forces in active or reserve duty status attending Michigan State University in a degree program funded by the Department of Defense shall be classified as an in-state student, as will his or her spouse and his or her dependent children. If the service member leaves the state of Michigan, this in-state status will continue for the service member, spouse, and dependent children as long as those who are students conform to the continuous enrollment rule in Section 6.A below.
 - G. A student who is a veteran of Peace Corps service who moves to Michigan within 90 days following satisfactory completion of his/her Peace Corps contract with the intent to become a domiciliary of Michigan will be classified as in-state.
 - H. A person who physically resides in Michigan for 12 consecutive months without enrolling in any academic courses at any two-year or four-year degree granting institution may matriculate as an in-state student immediately thereafter.

4. NON-U.S. CITIZENS

Among non-U.S. citizens, only persons who are entitled to reside permanently in the United States are eligible for in-state status classification at the University. These individuals, like U.S. citizens, must still prove that they have established a Michigan domicile as defined in these Regulations. In other words, having the privilege of remaining permanently in the United States is a necessary, but not a sufficient, condition to obtaining in-state classification at the University. At present, non-citizens who are entitled to reside permanently in the United States include:

- Permanent Resident Aliens: must be fully processed and possess Permanent Resident Alien card or stamp in passport verifying final approval by filing deadline for applicable term.
- Refugees: I-94 card must designate "Refugee."
- A, E (primary), G and I Visa holders: Based upon current law, these non-immigrant visa classifications are the only ones that permit the visa holder to establish a domicile in the United States. The Registrar shall update this list as changes occur in applicable law.

5. RETURNING MICHIGAN RESIDENTS

- A. If a student is claimed as a dependent for federal tax purposes, graduated from a Michigan High School, and the student's parents have been continuously domiciled in Michigan from the date of the student's high school graduation to the present, the student shall be classified as in-state.
- B. If a student is not claimed as a dependent for federal tax purposes, graduated from a Michigan High School, has been residing in Michigan for 12 consecutive months, and the student's parents have been continuously domiciled in Michigan from the date of the student's high school graduation to the present, the student shall be classified as in-state.
- C. If a student is claimed as a dependent for federal tax purposes, the student's parents have moved out of Michigan after the completion of the student's sophomore year in a Michigan high school, the student and his/her parents resided in Michigan for a minimum of 10 years prior to their departure, and the student attends Michigan State University the fall semester following high school graduation, the student shall be classified as in-state.

6. MISCELLANEOUS

- A. If a student, or the parent of a dependent student, moves out of Michigan during the time he/she is enrolled at the University, the student's in-state classification will be maintained as long as he/she continues to be enrolled. If a student moves

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

Costs

out of Michigan for more than 12 months while enrolled as a less than full-time student, the student will be reclassified to out-of-state status, unless the student presents clear and convincing evidence that he/she has maintained his/her domicile in Michigan despite the move.

- B. The in-state status of a prospective student domiciled in Michigan will not be affected by that student's full-time attendance, prior to enrolling at MSU, at a non-Michigan college or university.
- C. If the family of a dependent current student or of a dependent prospective student who has completed at least the junior year in high school moves out of Michigan during the time he/she is a student, the student's in-state classification will be maintained as long as he/she continues to be enrolled on a regular school year basis in a Michigan high school, college or university.
- D. Applications for reclassification may be filed at any time. However, reclassification to in-state status applies only to whole semesters. Students will not be reclassified to in-state status within a semester.
- E. In situations where a student provides evidence that he/she was eligible for in-state tuition in a prior semester, the student may seek retroactive reclassification and a refund of the out-of-state tuition differential.
- F. A graduate student is subject to these Regulations, except that a Graduate Assistant will pay in-state fees during the period of his/her appointment.
- G. If a student (or the spouse, parent or legal guardian of a dependent student) is employed full-time by Michigan State University, the student shall be eligible for in-state fee classification.
- H. The domiciliary status of any person, other than a parent, who may furnish funds to a student for payment of University fees shall not have any presumptive effect on the classification of that student.
- I. If a student has accepted a bona fide offer of permanent, full-time employment in Michigan following graduation, the student may seek a refund of the out-of-state tuition differential paid in any semesters falling completely within the 12 months preceding the date of the student's acceptance of the offer of employment. Students who received financial aid during this 12-month period will have their eligibility recalculated and their tuition refund will be reduced by the amount of aid for which they are determined ineligible.
- J. The University will correct errors that may occur in classifying a student. Further, the University reserves the right to audit enrolled or prospective students at any time with regard to eligibility for in-state status and to reclassify students who are registered in an improper classification.

7. RECLASSIFICATION APPLICATION PROCEDURE

Any student classified as out-of-state who believes he/she should be classified as in-state under the Regulations listed above should submit a letter explaining why the student believes that he/she is domiciled in Michigan and provide evidence to support his/her claim. All documentary evidence supporting the student's claim should be attached.

When a student files a Request for Classification to In-State Status, the student must submit the following documentation:

- for all students: a copy of the driver's license of the student and, if applicable, of the person or persons upon whom the student is basing the claim to in-state status.
- for all students: copies of the front and signature pages of the most recent year's federal and state income tax returns and W2's for the student and, if applicable, of the person or persons upon whom the student is basing the claim to in-state status.
- for students born outside the U.S.: verification of U.S. citizenship or visa status.
- for students who are dependents: copies of the front and signature pages of the most recent year's federal and state income tax returns of the person claiming the student as a dependent.
- for students whose claim to eligibility for in-state classification is based on their permanent, full-time employment or that of another person: a letter from the employer, written on letterhead (including phone number), stating the student or other person's position, status and dates of employment. The letter should be accompanied by a copy of the most recent pay stub showing Michigan taxes being withheld.

Students are also responsible for providing any additional documentation necessary to support their claim to in-state status eligibility if such documentation is requested by the University.

The Request for Classification to In-State Status with attached documentation should be submitted to the Associate Registrar for Registration Services, 150 Administration Building, at least one month in advance of the semester in which reclassification is sought. The Request for Classification to In-State Status and accompanying documentation will not be returned. The student is advised to keep a copy for his/her records.

The Request for Classification to In-State Status will be given to a Review Committee consisting of the Associate Registrar for Registration Services, the Associate Registrar for Degree and Certification, and the University Registrar. In cases where documentation appears to be unclear or incomplete, the Review Committee will attempt to contact the student and explain the need for further clarification and/or supportive documentation where possible.

Documentation supporting a claim of Michigan domicile must be detailed and complete. If, in the opinion of the Review Committee, the documentation submitted is not sufficiently detailed and complete, the student will be so notified in writing. In that written notification, the student will be invited to discuss any remaining questions with the Associate Registrar for Registration Services.

8. APPEAL PROCEDURE

Any student desiring to challenge the decision of the Review Committee shall have the right to appeal the determination. The appeal will be reviewed by the Out-of-State Fees Committee.

The appeal should be addressed to the Associate Registrar for Registration Services, 150 Administration Building. The Out-of-State Fees Committee consists of the Vice President for Finance and Operations, Chairperson; the Vice President for Student Affairs and Services; the Associate Controller; the Dean of The Graduate School;

the Assistant Vice President for Student Affairs and Services; one undergraduate student representing ASMSU; one graduate student representing COGS; the Director of Admissions, ex officio; the University Registrar, ex officio; and the Associate Registrar for Registration Services, ex officio. Ex officio members are non-voting.

If a student's appeal is denied by the Out-of-State Fees Committee, the student may ask to appear in person before the Out-of-State Fees Committee to further clarify the documentation previously submitted. A student wishing to appear in person should file a written request with the Associate Registrar for Registration Services. The request should specify the documentation about which the student intends to speak.

9. FALSIFICATION OF RECORDS

According to Article 5.01 of the University's General Student Regulations, "No student shall provide false information for the purpose of gaining benefit for oneself or others to any office, agency, or individual acting on behalf of the University."

HOUSING

At Michigan State University, it has always been a philosophy that student housing is much more than just a place to sleep and eat. Educational and social programs, mentoring services and planned activities augment the academic programs of the university to help students learn to live as involved members of a community.

This combination of philosophy, facilities and services has positioned Michigan State University as a leader with the reputation of providing some of the finest and most extensive housing options in the country.

Michigan State University proudly offers quality, affordable housing options for the varied needs of all students. Incoming freshmen, transfer students, graduate and international students find quality housing options in our 27 residence halls and 76 four-bedroom apartments for undergraduate students. University apartments provide housing for students with families, and graduate, international, and undergraduate students.

For information about housing regulations and policies, refer to the *University Housing Policy* in this section. More information on housing is available at www.liveon.msu.edu.

RESIDENCE HALLS

To meet different financial needs and personal preferences of students, Michigan State University offers a variety of residence hall accommodations. All halls are coeducational. Men and women are housed in separate suites on separate floors or the same floor and share dining, recreational, study and classroom facilities.

Men's and women's housing areas are generally open to members of the opposite sex on a 24-hour basis. Access into all undergraduate halls at night is limited to residents and their guests and is overseen by night receptionists. Only students of legal age may possess and consume alcoholic beverages in their rooms, suites, or apartments. Many halls offer alcohol-free housing, where all residents and guests, even if they are over 21 years of age, agree not to have or consume alcohol.

Most halls offer quiet houses which emphasize quiet hours for study in excess of those found in the regular housing areas. Students must sign a separate contract agreeing to abide by the guidelines for living in alcohol-free, and quiet houses. All residence halls are smoke-free facilities. Smoking is prohibited in all public areas of the residence halls. Smoking is only permitted outside, 25 feet from the building.

For specific information about fees, refer to *Costs* in the *General Information, Policies, Procedures and Regulations* section of this catalog.

Types of Undergraduate Halls, Furnishings and Facilities, Staff and Government

Rooms in most halls are designed for two students but, with the addition of a third bed, can accommodate three. All student rooms are furnished except for blankets, pillows, and bedspreads. A resident may add study lamps, small rugs, draperies and wall hangings. Weekly linen exchange is provided and included in the room rates. Each room is equipped with cable TV and ethernet access.

Each residence hall has study facilities, lounges and pay laundries. Many have convenience store operations, ATMs and computer labs.

Residential dining halls offer fresh, healthy, homemade and nutritious options. Access to the dining facilities is by Michigan State University ID for those with a meal plan, or by purchasing meals using cash, Spartan Cash, or credit card at the dining room entrance. Hours of operation, dining locations and weekly menus are listed at www.eatatstate.com.

Residents contract per semester for a choice of meal plans which offer unlimited access: (1) Platinum Plan offers anytime access to dining halls, eight guest meal accesses, \$300 in Spartan Cash and one Combo-X-Change at all Culinary Services retail locations, Monday through Friday; (2) Gold Plan offers anytime access, four guest meal accesses, \$150 in Spartan Cash and one Combo-X-Change at all Culinary Services retail locations, Monday through Friday; (3) Silver Plan offers anytime access and one Combo-X-Change at all Culinary Services retail locations, Monday through Friday. Combo-X-Change allows residents to access a pre-determined combo at Sparty's, Union Pizzeria, Serrano's and Riverwalk Market at Owen Hall. Additional dining plans are available for students who live off-campus. Visit www.eatatstate.com.

A residence hall complex director is responsible for coordinating student programming. The residence hall complex director is assisted by a staff of graduate advisors and undergraduate resident mentors. The direction and assistance the student receives from the advisors is a significant part of the program of education outside the classroom, which helps prepare the student for university and community living.

Student government is the basic channel for student participation in decision making and for meeting the needs of the residents of the individual halls. Opportunities are provided for students to participate in a variety of activities, including social events, informal discussions, sports, lectures and seminars.

The Residence Halls Association is the all-campus organization which coordinates the various residence halls' student governments.

Living-Learning Programs and Undergraduate University Division

MSU offers different Living-Learning options within our extensive residence hall system to promote the union of academic and residence life. Opportunities abound to enrich academic life while making and solidifying the transition to the university.

Students are given the opportunity to live in close proximity to others with whom they share academic or cultural goals and interests. In some cases, classes and/or academic advisors are located within the same building or complex in which the student lives. Living-Learning options are available in a wide variety of majors and study areas. For more information on Living-Learning programs, visit www.admissions.msu.edu/Living-Learning_Programs.asp.

The Undergraduate University Division has offices in some residence halls, staffed with full-time faculty members and advisors for No-Preference freshmen and sophomores. Some classes, which may be used to satisfy the University's Integrative Studies requirement, are also offered within residence halls.

APARTMENTS

Three of the residence hall units contain a limited number of apartments which are air-conditioned and furnished.

Van Hoosen has 33 apartments for women, which accommodate up to four students each. Each resident in Van Hoosen shares the housekeeping responsibilities.

In Akers Hall there are 20 one-bedroom apartments in addition to regular rooms. Preference is given to students who have lived in a Michigan State University residence hall the previous semester.

University Village has 76 four-bedroom apartments, to accommodate 304 upperclassmen.

Apartments in Spartan Village are available to single students after families and graduate students have been accommodated.

Apartment residents may purchase an optional meal plan.

Williams Hall, Room Without Board

Room without board is available in Williams Hall for sophomore, junior, and senior students. These students may purchase meal plans if they wish.

In addition to regular furnishings, rooms have refrigerators. No cooking facilities are available or allowed in the rooms, but each floor has an area for preparing meals. Care and cleaning of these areas are the responsibility of the hall residents.

Williams Hall rooms are rented on a double occupancy basis with a limited number of single occupancy available.

Owen Graduate Hall

The graduate student requires a different type of living accommodation than the undergraduate student. Owen Graduate Hall is designed to promote the advanced learning and exchanges of ideas demanded of graduate and professional students, or upper-level undergraduates.

Rooms in Owen Graduate Hall are largely single occupancy with a limited number of double rooms.

Riverwalk Market at Owen Graduate Hall is designed to meet the individual tastes of graduate, undergraduate, and international students.

Residents of Owen Graduate Hall can take advantage of the three residential meal plans or the Owen Graduate Hall meal plan which includes: (1) \$300 to be spent at Riverwalk Market at Owen Graduate Hall, Sparty's, Union Pizzeria, and Serrano's (located in the MSU Union) or any residential dining halls; (2) Access to 75 meals at any residential dining hall; (3) Use of Combo-X-Change at any Culinary Services retail location.

Residents who wish to cook a meal for themselves may utilize the community kitchen in Owen. Care and cleaning of this area is the responsibility of the residents.

HOUSING CONTRACTS UNIVERSITY HOUSING

The Housing Contract is required by the Board of Trustees and is necessary to prevent students from using the halls as temporary housing. The Contract protects the interests of the residents and the university. Acceptance of a room assignment and moving into a hall indicates agreement to the full terms of the Contract. The contract is for the full academic year.

If at the time of checking into the residence hall the student is under 18 years of age, the Contract must be signed by a parent or guardian.

Violations of the terms and conditions of the Contract will be referred to the appropriate university officials for administrative or judicial action.

OFF-CAMPUS HOUSING

The Off-Campus Housing Office, 101 Student Services Building, has current listings of housing available to all members of the University community. Staff members in the office also provide general advice and information to persons with problems arising from off-campus housing situations. Off-campus meal plans are available for purchase.

Greek Community

Many of Michigan State University's 52 nationally and internationally affiliated fraternities and sororities offer chapter houses in which their members may live. Chapter members are responsible for the business aspects of managing a chapter house, as well as providing activities addressing leadership development, community service, sports and recreation, social life, alumni relations, accountability and responsibility for their members. For more information on this collegiate living experience, contact the Department of Student Life at 1-517-355-8286.

Cooperative Living Units

A unique type of living experience for Michigan State University students is provided in student housing cooperatives. Students own and operate their own houses and are responsible for governance, maintenance, budgeting and meal planning. Cooperative principles affirm democratic control and open membership to any interested student.

The housing cooperatives are all located near the campus and vary in size from 12 to 50 members. Additional information about

cooperative housing may be obtained from the Intercooperative Council Office, 317 Student Services Building.

Religious Living Units

In general, living in religious living units is similar to living in other residences with the addition of a denominational religious experience. These units include Living ROCK (men), East Lansing Student Living Center (The Church of Jesus Christ of Latter Day Saints), and the Hillel Jewish Student Center.

UNIVERSITY HOUSING POLICY

Michigan State University's housing system seeks to provide an educational environment which is maximally conducive to the learning process of students. Consistent with this philosophy, a variety of living options supported by student fees, is made available in university housing. The university has requirements for on-campus residence to promote an optimal learning environment for students. Any undergraduate student enrolled for seven or more credits at Michigan State University for a semester, summer session excluded, is subject to the university's housing regulations. Compliance with the university housing policy is a condition of enrollment.

Administrative Ruling—University Housing Requirements and Procedures

In accordance with the *University Housing Policy*, the following stipulations apply:

1. **Freshmen and Sophomores** — All freshman and sophomore students, including transfer students (0-55 credits accumulated), are required to reside in university housing, with the following exceptions. The sophomore student (28-55

credits accumulated) requirement may be waived by administrative action on a yearly basis.

- a. Married students
 - b. Students who will be twenty years of age by the first day of classes of fall semester of the current academic year (The current academic year is fall semester through spring semester.)
 - c. Veterans with one or more years of active service
 - d. Students living with parents or legal guardian
 - e. Students taking 6 or fewer credits during the semester in question.
2. **Juniors and Seniors** — Juniors and seniors are encouraged to live on campus. The university will always seek to achieve some balance of juniors and seniors in each housing unit.

Enforcement

Those students for whom the housing requirement is a condition of enrollment will be asked to verify their adherence to it. Failure to maintain the required residency could result in termination of enrollment by the Division of Student Affairs and Services. Enforcement of the housing regulations is the responsibility of the Division of Student Affairs and Services. The housing requirement does not apply to students during a semester in which they are enrolled for 6 or fewer credits or during the summer. In any subsequent semester during which the student carries 7 or more credits, the requirement will again become applicable.

Address

Every student is required to report his or her correct local address at the time of registration and to report any change of address thereafter. Failure to register the actual address at which he or she is living, or failure to notify the university of a change of address within five class days after the change becomes effective, will be considered as falsification of university records. Change of off-campus address is made in the Office of the Registrar or via StuInfo. Change of on-campus address is made in the manager's office of the living unit.

Housing Contract

The Campus Living Services and Residence Life Housing Contracts is in effect for the period stated in the terms of the Contract. Any student, regardless of class standing, is obligated to fulfill the duration of the Housing Contract unless an authorized release is obtained. (Note: Application for release may be made through the Campus Living Services and Residence Life business manager.) This regulation applies to all students (freshmen, sophomores, juniors, seniors, special and graduate) who enter into a contract for on-campus housing.

Assignment

Only those persons who have received official housing assignments may live in university housing.

Special Permission

Prior to moving into university housing, any new student may apply for an exception to the housing requirements. Information on the special permission procedure and criteria for exceptions can be obtained by contacting the Judicial Affairs Office, 101 Student Services Building. Applications will be considered by a committee appointed by the Vice President for Student Affairs and Services.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

Housing

A student may appeal the decision of the committee to the Vice President for Student Affairs and Services.

Off-campus living units that were recognized by the university as 'supervised' housing units in the Spring of 1983 will continue to be eligible to house students consistent with past practice. Specific conditions that will ensure this eligibility will be developed by the Vice President for Student Affairs and Services and in consultation with appropriate off-campus living units. The residents of these units must be advised that the unit is neither supervised by nor under the jurisdiction of the university and that the university assumes no responsibility for the program, the facility, or persons associated with the unit.

GENERAL PROCEDURES AND REGULATIONS

INSTITUTIONAL EVALUATION AND ASSESSMENT

As members of a learning community, students may be asked to participate in periodic and ongoing institutional self-studies designed to promote program improvement. Michigan State University continually assesses itself in order to evaluate the effectiveness of its programs. Students are expected to participate in these assessment efforts should they be selected to do so.

MICHIGAN STATE UNIVERSITY FACULTY

A full-time faculty member of Michigan State University may not carry course work in residence, or in absentia, amounting to more than an average of four course credits a semester with a maximum of eight credits in the academic year. There is no maximum number of master's thesis or doctoral dissertation research credits that may be carried each semester. See *Admission of Faculty Members of Michigan State University to Graduate Study* in the *Graduate Education* section of this catalog.

ATTENDANCE

No person is allowed to attend a class unless officially enrolled on a credit or non-credit basis with the appropriate fees paid. Students who attend, participate and strive to complete course requirements without formal enrollment will not receive credit for their work.

There is no university-wide regulation requiring class attendance. However, attendance is an essential and intrinsic element of the educational process. In any course in which attendance is necessary to the achievement of a clearly defined set of course objectives, it may be a valid consideration in determining the student's grade. It is the responsibility of the instructor to define the policy for attendance at the beginning of the course.

DROP FOR NON-ATTENDANCE. Students may be dropped from a course for non-attendance by a departmental administrative drop after the fourth class period, or the fifth class day of the term of instruction, whichever occurs first.

CLASS NOTES AND UNIVERSITY SUPPLIED MATERIALS. As a condition of continued course enrollment and allowed class attendance, a student will refrain from commercializing notes of class lectures and university-supplied materials, by direct sale or by contract with a third party or otherwise, without the express written

permission of the instructor. Students may be removed from a class only after a hearing in the department or school, as described in the *Academic Freedom for Students at Michigan State University*, Article 2.4.

FIELD TRIPS. Field trips involving absence from classes must be authorized in advance by the dean of the college in which the course is given. The cost of field trips which are part of organized courses of instruction must be borne by the participating students and are additional to the usual course fees.

CHANGE OF SECTION WITHIN A COURSE

Students who must change from one section to another in the same course may complete this process through the fifth day of classes in a semester. (For free add periods during non-standard terms of instruction, the enrollment system controls the timing for each session.) After the period ends, changes of section must be made in the department responsible for teaching the course.

CHANGE OF ENROLLMENT

Students are expected to complete the courses in which they register. If a change is necessary, it may be made only with the appropriate approvals as explained below.

ADD AND DROP PERIOD. Students may add courses using the enrollment system through the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters). Students may drop courses using the enrollment system through the middle of the term of instruction.

CHANGE OF OPTION FOR CR-NC (CREDIT-NO CREDIT) GRADING. Choice of the CR-NC grading system must be communicated by the student to the Office of the Registrar within the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters) and may not be changed after that date.

CHANGE OF OPTION FOR VISITOR. Choice of enrollment in a credit course as a visitor on a non-credit basis must be made no later than the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters) in the Office of the Registrar.

TO ADD A COURSE AFTER THE ADD AND DROP PERIOD. Normally, no course may be added after the designated period for adding courses. Any add after this period must be processed beginning with the department offering the course. Final approval rests with the associate dean of the student's college.

TO DROP A COURSE AFTER THE MIDDLE OF THE SEMESTER. A student may drop a course after the middle of the semester only to correct errors in enrollment or because of events of catastrophic impact, such as serious personal illness. To initiate a late drop, the student must obtain approval from the office of the associate dean of his or her college or the Undergraduate University Division. If the student is passing the course, or there is no basis for assignment of a grade at the time of the drop, a W grade will be assigned. If failing, a 0.0 (or N in a P-N graded course) will be assigned. The course will remain on the student's academic record.

ADJUSTMENT OF FEES. If the adding or dropping of courses changes the total number of credits in which the student is enrolled, an adjustment of fees is made according to the policies for assessment of fees and refund of fees shown in the section on *Refund Policies*.

DROPPING ALL COURSES. See the statement on *Withdrawal from the University*.

CANCELLATION OF ENROLLMENT

Cancellation of enrollment includes the administrative cancellation of a student's registration due to nonpayment of fees, or because of academic recess or dismissal. Grades will not be reported. The cancellation of a student's registration may be processed by the Office of the Controller or the Office of the Registrar.

WITHDRAWAL FROM THE UNIVERSITY

VOLUNTARY DURING THE SEMESTER. A withdrawal from the University occurs when students drop all of their courses within a semester. A student may voluntarily withdraw from the university prior to the end of the twelfth week of a semester, or within the first 6/7 of the duration of the student's enrollment in a non-standard term of instruction (calculated in weekdays). Withdrawal is not permitted after these deadlines.

Students may withdraw, i.e., drop all of their courses, using the online enrollment system or in person at the Office of the Registrar, 150 Administration Building. Students who need guidance regarding withdrawal from the University should contact the associate dean of their major college. For most students who have fewer than 56 credit hours, the Associate Dean's function is served by the Undergraduate University Division (UUD). Exceptions are James Madison College, Lyman Briggs College, the Residential College in Arts and Humanities, and students in Engineering who have been admitted earlier than 56 credits.

Upon official voluntary withdrawal from the University, symbols are assigned to courses in which the student was enrolled according to the effective date of the withdrawal as follows:

1. If withdrawal is before the middle of the term of instruction, courses in which the student is enrolled will be deleted from the official record.
2. If withdrawal is after the middle of the term of instruction, symbols will be assigned by instructors to courses in which the student was enrolled as follows: W (no grade) to indicate *passing or no basis for grade* regardless of the grading system under which the student is enrolled, N to indicate *failing* in a course authorized for P-N grading, or 0.0 to indicate *failing* in a course authorized for numeric grading.

In case of official withdrawal from the university, fees are subject to refund according to the refund policy.

A student living in a residence hall should consult the manager regarding the policy on the refund of room and board fees.

A student living in an off-campus organized living unit should consult the individual unit for policies regarding room and board refunds.

If three or more complete semesters of school are missed subsequent to withdrawal, including the summer sessions, the student must apply for readmission online at www.reg.msu.edu.

VOLUNTARY AT THE CLOSE OF A SEMESTER. There is no formal procedure for withdrawal at the end of a semester; however, a student living in university housing should notify the manager of the appropriate unit.

UNAUTHORIZED. A student who leaves the university during a semester or summer session without obtaining an official withdrawal will be reported as having failed all courses.

The withdrawal procedure will not take place automatically for the student who leaves campus because of illness, of either one's self or family member, or for interim or final suspension for disciplinary reasons, but must be initiated by the student. Fees are subject to refund according to the refund policy. If this cannot be done in person, withdrawal may be initiated by writing the associate dean of the college in which the student is enrolled or the Office of the Registrar, 150 Administration Building.

A student who leaves the university without withdrawing formally forfeits any fees or deposits paid to the university.

INVOLUNTARY. A student who is called into the Armed Forces during the semester should present orders for induction at the office of the associate dean of the college in which the student is enrolled or at the Office of the Registrar for appropriate action.

ACADEMIC RECESS OR DISMISSAL. If a student is academically recessed or dismissed, courses in subsequent semesters are dropped without grades and fees are subject to refund according to the refund policy.

EXAMINATIONS

In keeping with university practice, entry into, and participation in, course examinations is controlled through electronic and visual means and by proctored examination site procedures.

In certain courses, such as those offered online, an individual student may be required to arrange to take examinations in a proctored environment away from campus. Any costs associated with taking such proctored examinations are the responsibility of the student. The Michigan State University Testing Office is a proctored-testing site for distance learning, www.testingoffice.msu.edu. It is a member of the Consortium of College Testing Centers which is a free referral service provided by the National College Testing Association to facilitate distance learning, www.ncta-testing.org.

FINAL EXAMINATION POLICY

During the final week of each academic semester all courses shall meet for one 2-hour period at the date and time listed in the *Final Examination Policy and Schedule* on the web at www.reg.msu.edu/ROInfo/Calendar/FinalExam.asp. During summer sessions, final examinations are scheduled in the last class sessions. This period should be used for examination, discussion, summarizing the course, obtaining student evaluation of the course instruction, or any other appropriate activity designed to advance the student's education. If an instructor requires a written report or take-home examination in place of a final examination, it shall not be due *before* the final examination period scheduled for that course. Exceptions to this paragraph may be approved by the department or school chairperson, or in a college without departments, by the dean.

In the event that a final examination is deemed appropriate by the instructor, it may not be scheduled at any time other than the date and hour listed in the *Final Examination Policy and Schedule*. Any deviations from the final examination schedule must be approved by the Office of the Registrar based on the recommendation of the assistant/associate dean of the college responsible for the course offering.

No student should be required to take more than two examinations during any one day of the final examination period. Students who have more than two examinations scheduled during one calendar day during the final examination period may take their class schedules to the Academic Student Affairs Office in their colleges for assistance in arranging for an alternate time for one of the three examinations.

The final examination schedule shall be systematically rotated in an effort to distribute the 2-hour final examination periods from semester to semester equally. This will also apply to common final examinations.

Faculty members shall schedule office hours during the final examination period (or in some other way attempt to make themselves accessible to their students) as they do in the other weeks of the semester.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

General Procedures and Regulations

Common final examinations are scheduled in certain courses with several class sections. In case of a conflict in time between such an examination and a regularly scheduled course examination, the latter has priority. The department or school giving the common examination must arrange for a make-up examination.

A student absent from a final examination without a satisfactory explanation will receive a grade of 0.0 on the numerical system, NC on the CR-NC system, or N in the case of a course authorized for grading on the P-N system. Students unable to take a final examination because of illness or other reason over which they have no control should notify the associate deans of their colleges *immediately*.

For information on examinations other than end of the semester, see the *Undergraduate Education* and *Graduate Education* sections of this catalog.

COURSES

All currently approved courses can be found in online **Course Descriptions** at: www.reg.msu.edu/Courses.

For current scheduling information for all courses, visit the Schedule of Courses at www.schedule.msu.edu.

COURSE NUMBERS

001-099 Non-Credit Courses

Courses with these numbers are offered by the university to permit students to make up deficiencies in previous training or to improve their facility in certain basic skills without earning credit.

For information about remedial-developmental-preparatory courses, consult the *Undergraduate Education* section of this catalog.

100-299 Undergraduate Courses

Courses with these numbers are for undergraduate students. They carry no graduate credit, although graduate students may be admitted to such courses in order to make up prerequisites or to gain a foundation for advanced courses.

For information about remedial-developmental-preparatory courses, consult the *Undergraduate Education* section of this catalog.

300-499 Advanced Undergraduate Courses

Courses with these numbers are for advanced undergraduate students. They constitute the advanced portion of an undergraduate program leading to the bachelor's degree. A graduate student may carry 400-level courses for credit upon approval of the student's major department or school. In exceptional cases, a graduate student may petition the dean of his or her college, in writing, for approval of a 300-level course for graduate credit.

500-699 Graduate-Professional Courses

Courses with these numbers are courses in the graduate-professional programs. A graduate student may carry these courses for credit with approval of the major department or school.

800-899 Graduate Courses

More than half of the credits of the total required for a master's degree shall be taken at the 800-and 900-level except as specifically exempted by the dean of the college.

900-999 Advanced Graduate Courses

Courses with these numbers are exclusively for graduate students and primarily for advanced graduate students. A master's degree student may take these courses with the approval of the major department or school, with the exception of courses numbered 999 (doctoral dissertation research). Admission to a doctoral degree program is a prerequisite of all courses numbered 999.

CREDITS

Courses at Michigan State University are given on a "semester" basis, and credits earned are semester credits. To convert semester credits to the "term" or "quarter" basis employed in certain other institutions, multiply by 3/2. To convert term credits to semester credits, multiply by 2/3.

Each course usually carries a specific number of credits based upon the number of instructional contact hours and study hours required each week per semester. The earning of a *credit* requires, as a minimum, one instructor-student contact hour per week per semester plus two hours of study per contact hour; OR two hours of laboratory contact hours per week per semester, plus one additional hour spent in report writing and study; OR other combinations of contact and study hours which constitute an equivalent of these experiences. In all courses taught in the time frame of the regular semester, regardless of format, provision will be made for contact hours and/or study hours which reflect optimal use of the class and study time provided for in the official university calendar. In courses in other time frames provision will be made for contact hours and study time in a combination, which is equivalent to the semester experience.

The number of credits normally carried in a semester is defined in the *Undergraduate Education* and *Graduate Education* sections of this catalog.

Persons who are assessed fees for 7 or more credits (6 or more credits for doctoral students) in a semester:

1. Are subject to the housing regulations as stated in *University Housing Policy*.
2. May utilize the facilities of the Olin Health Center. Information on services available and the charges made may be obtained at the Olin Health Center.
3. May purchase football, basketball, and/or hockey season tickets for themselves and their spouses at 50 percent of the public rate.
4. Are eligible for free admission to other regularly scheduled athletic events.
5. Are eligible for student discounts on series tickets to professional performing arts events at the Wharton Center for Performing Arts and Institute for Arts and Culture.
6. Are eligible to purchase one guest ticket to professional performing arts events at the Wharton Center for Performing Arts and Institute for Arts and Culture. One validated student ID card must be presented with every two student-rate tickets when attending a performance.

VARIABLE CREDIT COURSES

For each variable credit course, the range of credits for which a student may enroll in a given semester and the maximum number of credits that a student may earn in a course with a reenrollment provision shall be specified.

TRANSFER COURSES AND CREDITS

Acceptance of courses and credits deemed suitable for transfer to Michigan State University is determined by faculty in the department, school, or college responsible for instruction in the subject area. Among factors influencing the determination of acceptability are the relationship of the course to other course offerings in the primary administrative unit and other academic units at Michigan State University, and the basis for student performance evaluation in the course. For current course equivalencies, visit www.transfer.msu.edu.

For information on transfer credit beyond sophomore standing, visit www.reg.msu.edu/AcademicPrograms/Text.asp?Section=110#s228.

COURSE FORMATS AND CREDITS

The formats described in this document apply to courses in which *credits* are earned. (For the definition of a credit, refer to *Credits*.)

In all courses for credit, regardless of format, there will be instructor evaluation of individual learning. In this document, instructor is defined as a person authorized to teach the course by the administrator of the academic unit that administers the course.

The formats acceptable for courses offered for credit are those listed below. Two or more of the formats listed may be combined; for example, lecture and laboratory, discussion and online and/or lecture and hybrid.

Lecture

Definition: A regularly scheduled class in which the instructor takes the dominant role and the primary emphasis is on transmitting a body of knowledge or information and explaining ideas or principles. Student comments or questions will be accommodated as circumstances permit. Students receiving Department of Veterans Affairs educational assistance benefits are held to the same standards of academic progress and social conduct as all other students.

All enrollment changes (drops and adds) and withdrawal from Michigan State University must be processed promptly.

Michigan State University provides information about students receiving educational assistance benefits to the Department of Veterans Affairs, in accordance with federal mandate and university policy.

CLASS VISITOR

A person may be permitted to enroll in credit courses as a *visitor* on a non-credit basis with appropriate approval. Credit may not be earned in courses taken as a *visitor* except by re-enrollment for credit in the course, and completion of the course with a satisfactory grade. See the *Grading Systems* section for additional information.

Students enrolled as visitors are expected to attend classes regularly. Those so enrolled who do not attend regularly may be dropped from the class at the request of the instructor.

To be enrolled as a visitor, a student must enroll in the same manner as for credit courses at the university. Students enroll for the course through the enrollment system and then contact the Office of the Registrar to have the visitor code added to the record. Enrollment in a course may not be changed to or from a visitor basis except during the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters). Such credits as the course normally carries are included as part of the total credit load for which fees are assessed.

CONTINUING EDUCATION UNIT

The Continuing Education Unit (CEU) was created by a national task force. CEUs are granted by a large number of colleges and universities. The International Association for Continuing Education and Training (IACET) provides compliance guidelines and certification of CEU programs. Michigan State University follows the CEU guidelines developed by IACET in awarding CEUs.

Definition: One CEU equals 10 contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction. CEUs and academic credits are separate and distinct measures of participation in instructional experiences.

The CEU exists to: 1) establish permanent records for noncredit education experiences, 2) provide a basis for uniform data for institutional program planning, and 3) provide data for national analysis and policy development related to continuing professional development.

For information about the criteria for both Michigan State University and Michigan State Board of Education CEUs and administrative procedures related to CEUs, visit the Office of the Registrar at www.reg.msu.edu. You may also contact the Coordinator of Continuing Education Units at 1-517-432-3959, or in 150 Administration Building.

GUEST STATUS AT MICHIGAN STATE UNIVERSITY

For information regarding guest status at Michigan State University, see the *Lifelong Education Status* section in the *General Information, Policies, Procedures and Regulations* section.

LIFELONG EDUCATION ENROLLMENT STATUS

Lifelong Education enrollment status is designed to provide all non-Michigan State University degree students, with the exception of High Achieving High School Students (see the *Opportunities for High Achieving High School Students* section of this catalog), access to Michigan State University courses. It is important to note that Lifelong Education is not a college, a major, or an office on campus. It is an enrollment status and the term Lifelong Education is applied to students who are not pursuing a university degree or an Agricultural or Veterinary Technology certificate.

Students enrolling under the Lifelong Education enrollment status should complete the application available on the web at www.reg.msu.edu. From the selections "Undergraduate, Graduate, and Lifelong," select "Lifelong." Indicate undergraduate or graduate level on the form.

The Lifelong Education enrollment status permits and facilitates access to Michigan State University courses and workshops (on-campus, off-campus, online, and Study Abroad) for persons not wishing to pursue an undergraduate or graduate Michigan State University degree. This status is limited to persons who have attained a high school diploma or its equivalent.

Students who have obtained a baccalaureate degree will enroll under the Graduate Lifelong Education enrollment status. All others will be enrolled under the Undergraduate Lifelong Education enrollment status.

A person who has been denied admission to an undergraduate degree program at Michigan State University may not enroll under the Lifelong Education enrollment status until at least two years have elapsed from the date of the denial.

Students pursuing Michigan State University degree programs, students pursuing programs in the Institute of Agricultural Technology or English Language Center, students pursuing the Veterinary Technology certificate program, and students who have

been recessed or dismissed from Michigan State University or any other college or university are not eligible for enrollment under the Lifelong Education enrollment status.

Rules of Application, Enrollment, and Fees:

1. Students wishing to enroll under the Undergraduate Lifelong Education enrollment status must have a high school diploma or its equivalent. This information is collected as part of the application procedure. The high school transcript is not normally required as proof.
Students with a baccalaureate degree will enroll under the Graduate Lifelong Education enrollment status. This information is collected as part of the application procedure. The degree granting transcript is not required as proof.
Students enrolled under the Lifelong Education enrollment status who wish to be admitted as undergraduate or graduate degree candidates must make regular application for their desired degree programs with the Office of Admissions. They must do so in accordance with established application deadlines for the given semester.
2. All students enrolled under the Lifelong Education enrollment status are assessed fees at the Lifelong Education rates. These rates are set at a per credit amount. There are no additional fees associated with this status (i.e., no registration or late registration fees, etc). There are surcharges on some online courses.
3. Prerequisites, grading standards, class assignments, and attendance requirements of a course apply to all students in that course including those enrolled under the Lifelong Education enrollment status.
4. Colleges, departments, and schools determine rules of access to courses for which they are responsible, and may limit enrollment of students enrolling under the Lifelong Education enrollment status.
5. The Coordinator of Lifelong Education Student Affairs will monitor students' academic progress each semester to ensure that once nine or more credits have been attempted, acceptable progress has been maintained.
 - a. An undergraduate student enrolled under the Lifelong Education enrollment status and who has attempted nine or more credits and has not maintained a 2.0 GPA, will be issued a letter stating he/she is no longer eligible to take courses at Michigan State University. An Academic Advising hold is placed on the student's record.
 - b. A graduate student who has attempted nine or more credits and has not maintained a 3.0 GPA, will be issued a letter stating he/she is no longer eligible to take courses at Michigan State University. An Academic hold is placed on the student's record.
6. Students enrolled under the Lifelong Education enrollment status are not eligible for most sources of financial assistance including federal financial assistance programs, graduate assistantships, and most fellowships. The Mildred B. Erickson Scholarship is an exception; for information, contact the Women's Resource Center at 1-517-353-1635 or visit www.wrc.msu.edu.
7. Students who have completed course work while enrolled under the Lifelong Education enrollment status and who contemplate subsequent admission to degree programs must seek advice from the admitting department or school and college as to the applicability of courses/credits taken while under the Lifelong Education enrollment status. There is no guarantee that these credits will be acceptable. Applicability is subject to the following general limits.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

General Procedures and Regulations

- a. No more than 16 credits taken while enrolled under the Lifelong Education enrollment status may be applied to the undergraduate degree program.
- b. No more than 9 credits taken while enrolled under the Lifelong Education enrollment status may be applied to the graduate degree program. Refer to the *Graduate Education* section of the catalog for the aggregate limit.
- c. Courses taken under the Lifelong Education enrollment status **may not** be transferred to Human, Osteopathic, or Veterinary Medical Programs but may be used to waive program requirements at the discretion of the college.

STUDY ABROAD

For information regarding study abroad, see *Study Abroad* in the *Undergraduate Education* section of this catalog.

CODE OF TEACHING RESPONSIBILITY

Satisfaction of teaching responsibilities by instructional staff members (herein referred to as instructors) is essential to the successful functioning of a university. This University conceives these responsibilities to be so important that performance by instructors in meeting the provisions of this Code shall be taken into consideration in determining salary increases, tenure, and promotion.

1. **Course content:** Instructors shall be responsible for ensuring that the content of the courses they teach is consistent with the course descriptions approved by the University Committee on Curriculum and the Academic Council. Instructors shall direct class activities toward the fulfillment of course objectives and shall evaluate student performance in a manner consistent with these objectives.
2. **Course syllabi:** Instructors shall be responsible for distributing a course syllabus (either in print or electronic form) at the beginning of the semester. The syllabus shall minimally include:
 - (a) instructional objectives;
 - (b) instructor contact information and office hours;
 - (c) grading criteria and methods used to determine final course grades;
 - (d) date of the final examination and tentative dates of required assignments, quizzes, and tests, if applicable;
 - (e) attendance policy, if different from the University attendance policy and especially when that attendance policy affects student grades; and
 - (f) required and recommended course materials to be purchased, including textbooks and supplies.
3. **Student Assessment and Final Grades:** Instructors shall be responsible for informing students, in a timely manner so as to enhance learning, of the grading criteria and methods used to determine grades on individual assignments. Instructors shall be responsible for assessing a student's performance based on announced criteria and on standards of academic achievement. Instructors shall submit final course grades in accordance with University deadlines.
4. **Testing Documents:** Instructors shall be responsible for returning to students student answers to quizzes, tests, and examinations with such promptness to enhance the learning experience. Instructors shall retain final examination answers for at least one semester to allow students to review or to retrieve them. All testing questions (whether on quizzes, tests, or mid-semester or final examinations) are an integral part of course materials, and the decision whether to allow students to retain them is left to the discretion of the instructor.
5. **Term Papers and Comparable Projects:** Instructors shall be responsible for returning to students student term papers and other comparable projects with sufficient promptness to enhance the learning experience. Term papers and other comparable projects are the property of students who prepare them. Instructors shall retain such unclaimed course work for at least one semester to allow students to retrieve such work. Instructors have a right to retain a copy of student course work for their own files.
6. **Class Meetings:** Instructors shall be responsible for meeting their classes regularly and at scheduled times. To allow units to take appropriate action, instructors shall notify their units if they are to be absent and have not made suitable arrangements regarding their classes.
7. **Applicability of the Code of Teaching Responsibility to Student Assistants:** Instructors of courses in which assistants are authorized to perform teaching, grading, or other instructional functions shall be responsible for acquainting such individuals with the provisions of this Code and for monitoring their compliance.
8. **Instructor Accessibility to Students:** Instructors shall be responsible for being accessible to students outside of class time and therefore shall schedule and keep office hours for student conferences. Office hours should be scheduled at times convenient to both students and instructors with the additional option of mutually convenient prearranged appointments for students whose schedules conflict with announced office hours. Each teaching unit shall determine the minimum number of office hours for instructors in that unit. Instructors who serve as academic advisors also shall be responsible for maintaining appropriate office hours before and during enrollment periods. In

addition to office hours, instructor accessibility through e-mail and other means is encouraged.

9. **Commercialization of Course Notes and Materials:** The University prohibits students from commercializing their notes of lectures and University-provided class materials *without the written consent of the instructor*. Instructors may allow commercialization by including permission in the course syllabus or other written statement distributed to all students in the class.

Hearing Procedures

1. Students may register complaints regarding an instructor's failure to comply with the provisions of the *Code of Teaching Responsibility* directly with that instructor.
2. Students may also take complaints directly to teaching units' chief administrators or their designates. If those persons are unable to resolve matters to the student's satisfaction, the student must submit a written, signed statement to the chair of the hearing board of the department/school within which the violation is alleged to have occurred (see AFR Article 7 III. A. and B. A copy of any complaint transmitted shall be sent to the instructor. A written report of the action or recommendation of such groups will be forwarded to the student and to the instructor, normally within ten working days of the receipt of the complaint.
3. Students wishing to appeal a teaching unit action or recommendation may do so as outlined in *Academic Freedom for Students at Michigan State University, Graduate Student Rights and Responsibilities*, or *Medical Student Rights and Responsibilities*.

Such complaints must normally be initiated no later than the middle of the semester following the one wherein alleged violations occurred. Exceptions shall be made in cases where the involved instructor or student is absent from the University during the semester following the one wherein alleged violations occurred.

STUDENT INSTRUCTIONAL RATING SYSTEM (SIRS)

Preamble

The principal objective of the student instructional rating policy is to secure information which is indispensable to implementation of the University's policy of providing its students with instruction of the highest quality. This information is put to two principal uses: (1) providing instructors and teaching units with an accurate account of student response to their instructional practices, to the end that classroom effectiveness be maintained at the highest level of excellence; and (2) providing teaching units with one kind of information to be considered in deciding on retention, promotion, salary, and tenure, to the end that effectiveness in instruction constitutes an important criterion in evaluating the service to the University of members of the teaching faculty. In order to accomplish these objectives more fully, the following procedures were established.

1. Every teaching unit shall approve at least one common student rating instrument through its own channels of participation, in accordance with unit bylaws and customs of collegial decision making. Regardless of the type of instrument adopted, it must prominently display the following notation:

The Michigan State University CODE OF TEACHING RESPONSIBILITY holds all instructors to certain obligations with respect to, e.g., course content consistent with approved descriptions, timely statement of course objectives and grading criteria, regular class attendance, published office hours, and timely return of examinations and semester papers. This Code is printed in full in the *Academic Programs catalog* or is available online at www.reg.msu.edu/AcademicPrograms/Text.asp?Section=112#s514. It includes specifics about complaint procedures available to students who believe that their instructors have violated the Code.
2. Each teaching unit shall make regular and systematic use of student instructional ratings as part of the unit's evaluation of instructional performance. Each teaching unit shall formulate and promulgate a comprehensive policy covering all aspects of student instructional rating procedures, and shall be responsible for implementing that policy within the framework of the provisions contained in this document. Students shall not be required or requested by faculty members to identify themselves on the rating forms.
3. All instructors, regardless of rank, including graduate assistants, shall use unit-approved student instructional rating forms in all classes (every course, every section, every semester). For team-teaching situations, units shall develop procedures consistent with the intent of these provisions.
4. Beyond the use of a unit approved common form, individual instructors may use other instruments to gather additional information.
5. Results of student instructional ratings shall be used in accordance with the following provisions:
 - a. Results shall be returned promptly to the instructor for information and assistance in improving course design and instruction.

- b. Instructors shall have the opportunity to comment, orally and/or in writing, upon the ratings received. These comments shall be taken into account by persons or groups charged with making or advising on personnel decisions.
- c. Results of student instructional ratings shall be systematically consulted, with due regard for strict confidentiality, in conjunction with other means for assessing individual effectiveness, according to the review criteria promulgated within each unit. Other means might include, e.g., classroom visits or consideration of course syllabi, assignments, and examinations.
6. Procedures for implementing the rating process and for utilizing the results shall be promulgated by each teaching unit, subject to the following provisions:
 - a. Duly promulgated unit procedures shall be filed in the offices of the appropriate Dean and the Provost, where they will be matters of public record.
 - b. Unit administrators are responsible for implementing in their units SIRS procedures which follow fully the requirements of this document.
 - c. Teaching units may have the required SIRS instrument(s) administered by a person other than the instructor. If the unit does not administer the instruments, instructors are obligated to do so with due consideration for student confidentiality, and to return all results to unit offices within the time period specified in the unit procedures.
 - d. At the time instruments are administered, students shall be informed who will have access to the results and how the results will be used.

STUDENT OPINION OF COURSES AND TEACHING (SOCT)

Preamble

The following policy operates as a complement to the Student Instructional Rating System (SIRS) policy to provide selected public information for students as an aid to choosing courses.

Policy on the Student Public Evaluation System

Students at Michigan State University have an interest in being able to make informed judgments in selecting courses and faculty members as students pursue their academic programs. To this end, the University Committee on Undergraduate Studies has framed a set of questions that should provide the type of information that students seek. In order to facilitate the transmission of this information to the students, the following procedures are established:

1. In addition to using standard university or unit-based SIRS forms in every class each semester in compliance with the Student Instructional Rating System policy, the SOCT rating system will be administered in all fall and spring semester undergraduate classes taught by faculty members at the rank of instructor or above, and specialists who are assigned to teach
2. The SOCT online forms shall be administered within the last two weeks of classes. Students will be notified by e-mail when access is available. The SOCT rating system will be open for a limited, established period at the end of each semester.
3. Results will be disseminated in summary form, displayed by instructor and department, once per year through a Web site, <https://rateyourclass.msu.edu>, accessible to students and other members of the University community with the appropriate identification. A maximum of two recent semesters taught by that instructor over a maximum of two years with a minimum of five student responses will be displayed.

CREDIT BY EXAMINATION

The credit-by-examination option is available to qualified students. Examination may take the form of course or laboratory projects, written or oral reports, evidence of satisfactory skill performance, etc. Enrollment is subject to the provisions detailed below.

Some courses are especially designated for credit by examination in the *Schedule of Courses* (sections numbered 999). Stu-

dents who wish to avail themselves of this option must do so through the regular enrollment procedure.

The credit-by-examination option may also be made available in courses not so designated in the *Schedule of Courses*. Instructors will consider requests from interested students, and may recommend to the unit administrator the offering of an *ad hoc* credit-by-examination section to accommodate the needs of particular students. Following approval by the unit administrator, regular enrollment procedures apply.

Provisions

1. The credit-by-examination system is designed to serve students who have the capability and discipline for independent learning. Students who are in academic difficulty should not use it.
2. Enrollment must be by approval of the department or school. Before approval is given, department and school offices and/or designated instructors will provide the student with a written statement of the materials and skills to be mastered, and the manner in which proficiency is to be demonstrated.
3. The credit-by-examination procedure is not intended, and should not be construed, as a tutorial system, or as a system comparable to regular class enrollment: students must not expect tutorial assistance from professors, and professors must not expect students to attend class.
4. Units should exclude from this option those courses in which class attendance and participation are an integral part of the instruction.
5. Academic standards shall be comparable to those applying to regular courses.
 - 5.1 A failing grade should be reported to the Registrar in cases of failure to appear for the examination, or failure to demonstrate stipulated minimum proficiency. The I-incomplete or DF-deferred or ET-extension symbol for the postponement of a grade may be used in extraordinary circumstances, providing appropriate documentation is placed in the record by the instructor and approved by the assistant or associate dean.
 - 5.2 Credit-by-examination may not be employed as a means of repeating a course in which a low or failing grade was received, either through regular enrollment or by examination.
6. Implementation of the policy is the responsibility of unit administrators, Deans, and the Associate Provost for Undergraduate Education and Dean of Undergraduate Studies.

COMPUTER SCIENCE WAIVER EXAMINATION: CSE 101

The Department of Computer Science and Engineering offers the option of a waiver examination in CSE 101 for students whose programs (a) require the course *and* (b) are willing to accept passage of the waiver examination in place of the actual course. Students who wish to explore this option should do the following:

1. Consult *Academic Programs* or the academic advisor in your major program to determine if the waiver examination is acceptable for purposes of the major.
2. For information regarding examination information such as time, date, location, and cost of examination as well as examination contents and preparation information, visit www.cse101.lite.msu.edu.

Students may take the waiver exam only once. It must be taken prior to enrollment in the course. Pre-registration is required. The exam is proctored and administered once per semester. No make-up tests are provided. Successful completion of the test waives the requirement for participating programs but does not produce academic credit or a grade. A transcript notation will indicate the CSE 101 Waiver.

DEFINITIONS OF TERMS RELATED TO CALCULATIONS OF CREDITS AND GRADE-POINT AVERAGES

Credits Passed

Total Michigan State University credits passed on the numerical system, the Credit-No Credit (CR-NC) system, the Pass-No Grade (P-N) system, and by examination plus all credits accepted in transfer from other institutions. For a course that was repeated, only the credits associated with the *last* enrollment are counted in the total number of credits passed.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS
General Procedures and Regulations

Credits Repeated

Total credits repeated at Michigan State University and all Michigan State University credits repeated at and accepted in transfer from other institutions.

Credits Attempted

Total Michigan State University credits for which a grade was recorded or for which the *W* (no grade) symbol was recorded. Credits accepted in transfer from other institutions are included in the total number of Michigan State University credits attempted. Credits in courses taken on the CR-NC system count as credits attempted irrespective of whether the outcome is CR or NC. Similarly included are all credits in courses taken on the P-N system. Credits in courses for which a *V* symbol was recorded are *not* included in credits attempted.

Grade-Point Credits

Total number of credits in all Michigan State University courses for which a *numerical* grade was recorded. Credits for courses repeated on the numerical system count only for the last grade recorded.

Grade-Point System

The grade-point system and the *numerical* grading scale are identical. Grade points for each course are determined by multiplying the *numerical* grade by the number of credits for the course.

Grade-Point Average

A measure of the student's academic performance in Michigan State University courses for which the student received a *numerical* grade.

Semester	To compute the grade-point average for a semester, divide the total <i>grade points</i> for the semester by the total <i>grade-point credits</i> for the semester.
Cumulative	To compute the cumulative grade-point average, divide the total <i>grade points</i> for all semesters by the total <i>grade-point credits</i> for all semesters.

A cumulative grade-point average of 2.0 is required for graduation from the university for bachelor's degrees. A cumulative grade-point average of 3.0 is required for graduate degrees.

For information on *Grading Systems* and *Repeating a Course*, refer to those statements.

INDEPENDENT STUDY

Definition

At Michigan State University, Independent Study is planned study, highly individualized, not addressable through any other course format, proposed in writing by the student on a standard form, accepted for supervision by a faculty member, and approved by the student's academic advisor and the teaching unit at the beginning of the semester.

Guidelines

Independent Study should:

1. Consist of work not described in the university catalog in any other format;
2. Be taken under a course number commensurate with the student's class level, major field, and experience;
3. Relate to a subject for which the student has adequate preparation;
4. Be directed by a faculty member with whom there is periodic contact and consultation throughout the study;
5. Not exceed 8 semester hours of credit in a single academic semester;
6. Not exceed 10 percent of the credits earned in a bachelor's program;
7. Be applied for on the form provided by the department or school or college;
8. Be approved on this form before the student enrolls for the course; registration should be completed by the end of the period for adding courses.

GRADING SYSTEMS

Michigan State University employs three systems of grading: a numerical system, a supplemental credit-no credit system, and a limited pass-no grade system.

All grades are final and may not be changed by re-examination or by the submission of additional work. See *Repeating a Course*.

The Numerical System

The numerical system consists of the following scale. 4.0 - 3.5 - 3.0 - 2.5 - 2.0 - 1.5 - 1.0 - 0.0.

Grading Procedure of the Numerical System:

1. Credit is awarded at the following minimum levels:
1.0 for undergraduate students.
2.0 for graduate students.
However, all grades are counted in the calculation of the grade-point average (GPA).
2. The minimum cumulative grade-point average required for graduation is a 2.00 for undergraduates and 3.00 for graduate students.
3. In particular graduate programs the number of 2.0 grades acceptable for credit may be expressly restricted and/or levels higher than the 2.0 minimum may be established for the fulfillment of degree requirements.
4. Grades given in courses completed under enrollment on the numerical system cannot be converted to credit or no-credit under the credit-no credit system.

The Credit-No Credit System

The credit-no-credit system is intended to allow students to study in areas outside the major field of study without jeopardizing their grade-point averages. In the credit-no credit system the following symbols are used.

CR-Credit—means that credit is granted and represents a level of performance equivalent to or above the grade-point average required for graduation. Thus, undergraduate students must perform at or above the 2.0 level before credit is granted; graduate students must perform at or above the 3.0 level.

NC-No Credit—means that no credit is granted and represents a level of performance below the grade-point average

required for graduation, i.e., below 2.0 for undergraduate students, below 3.0 for graduate students.

Grading Procedure of the CR-NC System

1. Grades on the CR-NC system are not included in computing the semester or cumulative grade-point average.
2. Enrollment on a CR-NC basis is recorded with the academic advisor and with the Registrar. The instructor's class list does not indicate which students are enrolled on CR-NC basis.
3. When the course is completed, all students are graded on the numerical system.
4. The Registrar then converts the numerical grades to credit or no credit in accord with the definitions of CR-NC stated above, but retains the numerical grades in the student's academic records.
5. When a student changes a major preference or a major, the Registrar will convert those letter grades to numerical grades in courses that are necessarily graded on the numerical system in the new major upon request by the student's college.

Enrollment in the CR-NC System

Enrollment on a CR-NC basis is open to students, at their option, subject to the following conditions:

1. Course prerequisites and other criteria for enrolling in any course shall be determined by the department or college offering the course and apply equally to both the numerical and the CR-NC systems.
2. The choice of numerical or CR-NC system does not affect admission to the course.
3. All courses in every department and college are available on a CR-NC basis unless these courses are:
 - a. Used to satisfy the Tier I writing requirement, the Tier II writing requirement, the university mathematics requirement, and Integrative Studies Program requirements, or
 - b. Designated as Type 1, Type 2, or Type 3 courses under the remedial-developmental-preparatory course policy.
 - c. Specifically excluded from CR-NC enrollment by the department, school, or college of the student's major preference or major, or the unit recommending the student for certification.
4. Limitations:
 - a. No undergraduate student may enroll in more than a total of 20 credits on the CR-NC system in all semesters.
 - b. The limitations on the number of credits a graduate student may take in a given semester on the CR-NC basis, and the total number of credits that may be taken in a given degree program on a CR-NC basis, shall be established by the college, department, or school, or the unit recommending the student for certification in which the student is a major.
5. Each department, school, or college, or the unit recommending the student for certification shall designate those courses that its majors or candidates for certification may not take on the CR-NC system.
6. Choice of the CR-NC system must be communicated by the student to the Office of the Registrar within the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters) and may not be changed after that date.
7. Any course taken more than once must be repeated on the same grading system under which the course was

completed the first time, except where standard requirements to the contrary must be satisfied in order to meet graduation requirements.

The Pass-No Grade System

This system is used *only* in courses specifically approved by the University Committee on Curriculum. Non-credit courses and those involving field experience are the usual types of courses approved for P-N grading. Courses approved for P-N grading are so marked in the *Schedule of Courses* on the web.

In the pass-no grade system the following symbols are used:

P-Pass—means that credit is granted and that the student achieved a level of performance judged to be satisfactory by the instructor.

N-No Grade—means that no credit is granted and that the student did not achieve a level of performance judged to be satisfactory by the instructor.

GRADE MARKERS

Conditional Pass Marker

The Conditional Pass (CP) marker is used *only* for *graduate-professional* students in the College of Human Medicine when *all* of the following criteria are met:

1. The student is enrolled in a 500 or 600 level course that is administered by the College of Human Medicine. The University Committee on Curriculum approved the use of the Pass-No Grade (P-N) grading system for College of Human Medicine students who are enrolled in 500 and 600 level courses in this college.
2. The student has either:
 - a. met almost all of the course objectives (criteria for passing), but is deficient in a specific, definable course segment; or
 - b. completed all of the course requirements but failed to meet the overall pass level by a narrow margin (e.g., received a 68 percent overall score where 70 percent is the pass level).
3. The course instructor believes that the student's overall performance has been such that the student should not be required to repeat the entire course and that the character of the deficiency is specific and identifiable and is likely to be remediable within a foreseeable time span and through specifiable action by the student.

The required work must be completed and a grade (P or N) must be reported to the Office of the Registrar no later than the *middle* of the student's next semester in attendance, if that semester is within one calendar year following the receipt of the CP. An exception may be made if an instructor submits an administrative action form stating that the course structure necessitates delay of remediation grading until the end of the student's next semester in attendance.

When the specified remediation activity is completed or the time allowed for remediation has expired, the grade of P or N is assigned. The Conditional Pass marker remains on the student's academic record. Thus, the completion of the remediation activity within the time allowed results in a grade of CP/P, and failure to complete the specified remediation activity by the due date results in a grade of CP/N.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

General Procedures and Regulations

Visitor

The V-Visitor—is recorded on the transcript in credit courses for students enrolled as a visitor on a non-credit basis. Choice of the V-Visitor must be communicated by the student to the Office of the Registrar during the first 1/14th of the term of instruction (the 5th day of classes in the fall and spring semesters) and may not be changed after that date.

POSTPONEMENT OF GRADING

When special or unusual circumstances occur, the instructor may postpone assignment of the student's final grade in a course by use of an I-Incomplete, a DF-Deferred, or an ET-Extension marker.

I-Incomplete

The I-Incomplete may be given only when: the student (a) has completed at least 6/7 of the term of instruction, but is unable to complete the class work and/or take the final examination because of illness or other compelling reason; and (b) has done satisfactory work in the course; and (c) in the instructor's judgment can complete the required work without repeating the course.

Provided these conditions are met, the instructor electing to give an I-Incomplete files an Agreement for Completion of (I) Incomplete at the time course grades are due. This agreement specifies what the student must do, and when, to remove the I-Incomplete. The department or school office gives a copy to the student, and retains a copy for at least one year.

The required work must be completed, and a grade must be reported to the Office of the Registrar, no later than the middle of the student's next semester in attendance (summer session excluded) if that semester is within one calendar year following receipt of the I-Incomplete. Exception to this deadline: An instructor may submit an Administrative Action stating that course structure necessitates delay of make-up grading until the end of the student's next semester in attendance.

Failure to complete the required work by the due date will result in a grade of I/0.0, I/NC or I/N, depending on the grading system under which the student was enrolled. (A student who does not register for Michigan State University courses subsequent to receipt of an I-Incomplete has one calendar year to complete the required work; after that, the I-Incomplete will become U-Unfinished and will be changed to I/U on the student's academic record, and the course may be completed only by re-enrollment).

An extension of time for completion of the required work may be approved by the college offering the course only by means of an Administrative Action documenting physician-certified illness or other extraordinary circumstances.

An Extension of Time is a formal agreement between the instructor and the student. After an Extension of Time has been filed, the work must be done by the deadline determined by the instructor or the I-Incomplete will be changed to I/0.0, I/NC, or I/N depending on the grading system under which the student was enrolled.

DF-Deferred

The DF-Deferred applies to the numerical, the CR-NC, and P-N grading systems.

Given only to graduate students who are doing satisfactory work but cannot complete the course work because of reasons acceptable to the instructor.

The required work must be completed and a grade reported within six months (190 calendar days from the last class day of the

term of instruction), with the option of a single six-month extension (190 calendar days). If the required work is not completed within the time limit, the DF-Deferred will become U-Unfinished and will be changed to DF/U. This rule does not apply to graduate thesis or dissertation work.

ET-Extension

The ET-Extension applies to the numerical, the CR-NC, and P-N systems.

Given to undergraduate, graduate, and graduate-professional students only in courses specifically approved by the University Committee on Curriculum. Approval requires specification of the time period within which work must be completed. Courses that involve field experience or thesis work and courses in which work normally extends beyond one semester are the types of courses normally considered.

A final grade must be reported upon completion of the final course in the sequence or in the time approved for the completion of the work. If a final grade is not reported in these periods, the ET will be changed to ET/0.0, ET/NC or ET/N, depending on the grading system under which the student was enrolled.

REPEATING A COURSE

An undergraduate student who received a grade of 2.0 or above, CR, or P in a course may not repeat the course on a credit basis. An undergraduate student may repeat no more than 20 credits in courses in which grades below 2.0 were received.

A graduate student who received a grade of 2.0 or above, CR, or P in a course may not repeat the course on a credit basis with the following exception: with the approval of the associate dean, a graduate student may repeat a course in which a grade of 2.0 or 2.5 was received. The number of credits that a graduate student may repeat is determined by the student's academic advisor or guidance committee, in accordance with unit policies.

Whenever a course is repeated on a credit basis, the last grade and credits earned completely replace the previous grade in the satisfaction of requirements and computation of the cumulative grade-point average. All entries remain a part of the student's permanent academic record.

Any course repeated for credit must be taken on the same grading system under which the course was taken the first time, except where standard requirements to the contrary must be satisfied in order to meet graduation requirements.

Credit by Examination may not be used to repeat a course in which a grade below 2.0 was received.

A student who has taken a course as a visitor may subsequently enroll in the course for credit with the approval of his or her advisor.

Financial Aid and Repeats

Federal financial aid regulations limit the number of times a student may repeat a course and receive financial aid for that course. The following guidelines apply to students eligible for federal aid.

1. A student may receive aid when repeating a course for the first time.
2. A student may receive aid when repeating a course that was previously failed (received a 0.0 or No Pass), regardless of the number of times the course was attempted and failed.
3. A student may receive aid to repeat a previously passed course one additional time.
4. Once a student has completed any course twice with a passing grade, he/she is no longer eligible to receive aid for that course.

5. If a student retakes a course that is not aid eligible, a recalculation of aid is done to exclude the credits for the repeated course. Students are notified by the Office of Financial Aid if their aid needs to be reduced.

CORRECTION OF GRADES

Once recorded in the Office of the Registrar, a student's grade may not be changed unless the first grade was in error. An Administrative Action must be submitted certifying the reasons why the first grade is in error. The request must be approved by the instructor, the chairperson of the department or school offering the course, the associate dean of the college in which the course is offered, and the student's associate dean. The time limit for the correction of grades is 30 days after the opening of the new semester.

The Office of the Registrar reserves the right to audit student records and to correct them as necessary.

INTEGRITY OF SCHOLARSHIP AND GRADES

The following statement of university policy addresses principles and procedures to be used in instances of academic dishonesty, violations of professional standards, and falsification of academic or admission records, herein after referred to as academic misconduct. (See General Student Regulation 1.00, Protection of Scholarship and Grades.)

1. The principles of truth and honesty are recognized as fundamental to a community of scholars. The university expects both instructors and students to honor these principles and, in so doing, to protect the validity of university education and grades. Practices that maintain the integrity of scholarship and grades include providing accurate information for academic and admission records, adherence to unit-approved professional standards and honor codes, and completion of original academic work by the student to whom it is assigned, without unauthorized aid of any kind. To encourage adherence to the principles of truth and honesty, instructors should exercise care in planning and supervising academic work.
2. If an instructor alleges a student has committed an act of academic misconduct, the instructor is responsible for taking appropriate action. Depending on the instructor's judgment of a specific instance, the instructor may give the student a penalty grade. A penalty grade may be a reduced score or grade for the assignment or a reduced grade for the course. (For a definition of "penalty grade", see *Academic Freedom Report* (AFR) 8.1.15 and *Graduate Students Rights and Responsibilities* (GSRR) 8.1.15.)
3. When an instructor gives an undergraduate or graduate student a penalty grade for academic misconduct, the instructor must provide a written description of the details of the academic misconduct to the student and to the student's academic dean. The student's academic dean will add the written description to the student's academic record, where it will remain, unless the student successfully grieves the allegation.
4. In notifying the student's academic dean of the student's act of academic misconduct, the instructor may request the student's academic dean to initiate an academic disciplinary hearing to impose sanctions in addition to, or other than, a penalty grade.
5. When in the judgment of the student's academic dean, a sanction in addition to, or other than, a penalty grade is warranted (e.g., dismissal from a unit or program), the dean may call for an academic disciplinary hearing. In calling for an ac-

ademic disciplinary hearing, the student's academic dean may act independently or in response to a request by the instructor. (See AFR 4.3.1.1, GSRR 5.5.2, and MSRR 5.1.3.1.)

6. A student accused of academic misconduct may request an academic grievance hearing to contest the allegation before the appropriate hearing board of the department, school, or college in which the alleged academic dishonesty occurred. In cases involving academic misconduct, no student may be dismissed from a course or program of study without an academic disciplinary hearing.
7. On the first offense of academic misconduct, the student must attend an educational program on academic integrity and academic misconduct provided by the Associate Provost for Undergraduate Education and Dean of Undergraduate Studies for undergraduate students and the Dean of The Graduate School for graduate students.
8. In cases involving undergraduate students in which the student's academic dean, or designee, calls for an academic disciplinary hearing, the student's academic dean will refer the case to the Associate Provost for Undergraduate Education. The Associate Provost will notify the student in writing of the call for a disciplinary hearing and will invite the student to a meeting to determine the appropriate judiciary for the hearing. (See AFR 4.3.1.1.)
9. In cases involving graduate students in which the student's academic dean, or designee, calls for an academic disciplinary hearing, the student's academic dean will refer the case to the Dean of The Graduate School. The Dean of The Graduate School will notify the student in writing of the call for a disciplinary hearing and will invite the student to a meeting to determine the appropriate judiciary for the hearing. At this meeting, the student will be asked to select either an administrative disciplinary hearing conducted by the Dean of The Graduate School or a disciplinary hearing conducted by the college hearing board within the student's college. In cases of ambiguous jurisdiction involving graduate students, the Dean of The Graduate School will select the appropriate judiciary. (See GSRR 5.5.2.)
10. Either party may appeal a decision of an administrative disciplinary hearing or a disciplinary hearing board to the appropriate appellate board. (See AFR 2.4.7.1; GSRR 5.5.2.1; and MSRR 5.8.1.)

PROTECTION OF SCHOLARSHIP AND GRADES GENERAL STUDENT REGULATIONS, 1.00

- 1.02 procure, provide, accept or use any materials containing questions or answers to any examination or assignment without proper authorization.
- 1.03 complete or attempt to complete any assignment or examination for another individual without proper authorization.
- 1.04 allow any examination or assignment to be completed for oneself, in part or in total, by another without proper authorization.
- 1.05 alter, tamper with, appropriate, destroy or otherwise interfere with the research, resources, or other academic work of another person.
- 1.06 fabricate or falsify data or results.

PERSONAL INTEGRITY AND CONDUCT

The university expects student conduct and behavior to reflect qualities of good citizenship. The out-of-classroom activities of Michigan State University students should reflect favorably upon the institution and should indicate the personal integrity of the individual.

See *Spartan Life* for specific policies, ordinances and regulations that define some of the relevant university expectations. Visit www.vps.msu.edu/SpLife/index.htm.

THE ACADEMIC RECORD

A Grade Report of a student's grades earned in each course is available to the student at the end of each semester or summer session electronically at www.stuinfo.msu.edu.

Due to unsatisfactory work, a student may be warned, placed on probation, academically recessed, or academically dismissed from the university.

A permanent record of all the student's courses, credits and grades earned is kept in the Office of the Registrar, 150 Administration Building. The permanent record reflects all courses taken while enrolled at any academic level at Michigan State University. Records are regularly audited and corrected as necessary. The student should maintain a record of courses, credits and grades each semester or summer session and check from time to time to see that this record agrees with that of the university. The record may also help the student determine eligibility for any activity that requires meeting specific scholastic standards.

TRANSCRIPTS

A copy of a student's complete permanent record is available to the student upon receipt of a request and advance payment of \$5.00. The permanent record reflects all courses taken while enrolled at any academic level at Michigan State University. (See *Costs* in the *General Information, Policies, Procedures and Regulations* section of this catalog.) Transcripts can be requested at www.reg.msu.edu/Transcripts with payment by American Express, Discover, Mastercard, Visa credit card or ACH payment. Requests can also be made in person or by writing to the Office of the Registrar, 150 Administration Building, Michigan State University, East Lansing, Michigan 48824-0210. The university reserves the right to withhold the transcript in case of delinquent

student indebtedness to the university. However, the Student Accounts Office may authorize release of a transcript directly to a prospective employer on an exception basis.

CERTIFIED COPY OF DIPLOMA

A certified copy of the student's diploma is available to the student. The student must bring the original diploma and a twenty-five dollar advance payment for each copy to the Office of the Registrar, 150 Administration Building. (See *Costs* in the *General Information, Policies, Procedures and Regulations* section of this catalog.)

HONORARY DEGREES

Michigan State University has been awarding honorary degrees since 1885 to honor distinguished persons for their contributions to their field and to society. Nominees exemplify the values inherent in MSU's mission. Past recipients include accomplished scientists, humanists, scholars of the arts, members of the professions, and persons in public life or business. Invitations to nominees are issued only by the President.

For more information on the nomination process, visit www.msu.edu/~vprgs/honorarydeg/HonoraryDegrees.htm.

POSTHUMOUS DEGREES

A posthumous degree may be awarded in the name of a deceased student upon the recommendation of the student's major department and college when the student was in good academic standing and had made substantial progress towards the degree.

The chairperson of the department responsible for the administration of the degree program of the deceased student may submit a recommendation to the dean, who, in turn, may submit a recommendation to the registrar for records verification. The registrar will forward to the provost. If the provost endorses, then the recommendation will be sent to the president to be considered for final approval. The transcript bears the notation, "Degree granted posthumously."

STUDENT RECORDS AND THE FEDERAL FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Michigan State University complies fully with the letter and spirit of the Federal Family Educational Rights and Privacy (FERPA) which governs access to, and confidentiality of, student records.

As a means of complying with this act, the university has developed the Michigan State University Access to Student Information. These *Guidelines* are reproduced below.

MICHIGAN STATE UNIVERSITY ACCESS TO STUDENT INFORMATION

Introduction

Michigan State University ("the University") maintains student education records and is responsible for their access to and release in accordance with the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g ("FERPA"). It is the policy of the University to comply with FERPA.

Reason for Guidelines

These guidelines comply with and are more restrictive than the standards established in FERPA. The guidelines govern the procedures for maintenance and access to student education records held by the University. The guidelines have a two-fold purpose:

1. To protect a student's right to privacy of information in the University's possession concerning the student; and
2. To provide guidance on release or disclosure of student information required by law and as necessary for the effective functioning of the campus community.

Who Should Read These Guidelines

All University students, faculty and staff with access to student education records should read and be familiar with these guidelines. These guidelines replace the Guidelines Governing Privacy and Release of Student Records.

Notification of Student Rights under FERPA

All currently enrolled students at the University are notified annually of their rights under FERPA.

Definitions

The following definitions apply to terms as they are used in these guidelines.

Confidential Records

Confidential records are all records containing personally identifiable student information that is not designated as directory information. Such records include, but are not limited to, the following: (1) academic evaluations and grades; (2) counseling and advising records; (3) disciplinary records; (4) financial aid records; (5) letters of recommendation; (6) medical and psychological records; (7) police records; (8) transcripts and other academic records; (9) scores on tests required for new students; and (10) billing and fee payment records.

Directory Information

Directory information is information in a student's education record which may be disclosed to outside parties without a student's prior written consent. Disclosure of directory information about a student is generally not considered harmful or an invasion of privacy. Information that the University has designated as directory information is listed in Michigan State University Notification of Student Rights under FERPA.

Currently enrolled students may restrict the release of directory information by notifying the Office of the Registrar or updating their directory restrictions online through the Office of the Registrar Web site.

Education Records

Education records are those records, files, documents, and other materials which contain information directly related to a student and are maintained by the University or by a party acting on behalf of the University. This includes information or data recorded in any medium including, but not limited to, handwriting, print, tapes, film, microfilm, microfiche, and any electronic storage or retrieval media.

Education records exclude: (1) records that are in the sole possession of school officials and are not accessible by other personnel; (2) law enforcement or campus security records that are maintained or created by the law enforcement unit for the purpose of law enforcement; (3) employment records relating to students who are employed by the University, unless the employment is a result of his/her status as a student; (4) records created or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional, that are used only in connection with the treatment of the student and are not available to anyone other than those providing such treatment; and (5) records that contain information about an individual after that person is no longer a student at the University, unless the records pertain to the individual's previous attendance as a student.

FERPA

The Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g (<http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>).

Legitimate Educational Interest

An individual has a legitimate educational interest in education records if the information or record is relevant and necessary to the accomplishment of some employment or other institutional task, service, or function.

Parent

A parent is an individual that is the natural parent, the guardian, or the individual acting as the parent in the absence of a parent or guardian, of a student at the University.

Personally Identifiable Information

Personally identifiable information is any information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the campus community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty. Examples of personally identifiable information include, but are not limited to: (1) the student's name; (2) name of the student's parent or other family member; (3) the address of the student or student's family; (4) a personal identifier, such as a student's social security number or student number; (5) the student's date and place of birth; (6) the student's mother's maiden name; (7) biometric record; and (8) a list of personal characteristics or other information that would identify the student with reasonable certainty. Personally identifiable information also includes information requested by a person who the University reasonably believes knows the identity of the student to whom the education record relates.

School Official

A school official is a person employed by the University in an administrative, supervisory, academic/research, or support staff position; contractors, consultants, volunteers and other non-employees performing institutional services and functions; and a person serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

Student

A student is any individual with respect to whom the University maintains education records and has been in attendance at the University. A student's education records are protected under these guidelines beginning on the first day of classes of the student's first semester of enrollment. No student shall be required to waive his or her rights under FERPA as a condition of admission or for the receipt of any services or benefits.

Responsibilities

Anyone Who Maintains or Seeks Access to Education Records

Maintain and release records in accordance with FERPA and these guidelines. (<http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>)

Office of Planning and Budgets

Maintain and provide external reporting of institutional data, such as to federal and state specified surveys, which may include student information. Provide internal access and analytical reports of data for institutional studies and research.

Student

Read the Michigan State University Notification of Student Rights under FERPA and these guidelines.

University Registrar

Disseminate Michigan State University Notification of Student Rights under FERPA.

Manage the process by which students opt-out or restrict disclosure of their directory information.

Administer the process to determine whether alleged errors in education records are misleading, inaccurate, or in violation of a student's privacy rights.

Facilitate communications with appropriate school officials when advice, clarification or direction on release of confidential information is permissible.

Facilitate all responses to third party requests, subpoenas or judicial orders for student education records.

Oversee campus compliance, education and awareness of FERPA.

Procedures

Disclosure to Students

Currently enrolled and former students have the right to inspect and review their education records upon proper identification. Requests for access to records must be granted within a reasonable period of time, but in no case later than forty-five (45) days from the date of request.

Appeal

A student who is denied access to his/her records may appeal in writing to the dean, head of the academic department, or other appropriate official maintaining the records. If the decision to deny access is upheld, the school official handling the appeal must provide a written statement to the student regarding the basis for the denial within ten (10) days of the receipt of the appeal. Following the appeal, the student or the school official may request the Committee on Release of Confidential Information to provide guidance on the rules and policies concerning access to education records. If the Committee determines that the requested record is an education record to which the student may have access under FERPA and these guidelines, the record shall be made available to the student.

Applicants have the right to review records and data submitted for admission with an admissions officer. Those denied admission must exercise this right within six months of the date of denial. The decision to admit or deny admissions is, however, a composite professional decision not subject to review.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

General Procedures and Regulations

Letters of Recommendation

Students may not have access to letters of recommendation or statements of evaluation obtained or prepared before January 1, 1975. A student may waive his/her right to access letters of recommendation obtained after January 1, 1975. A student who wishes to waive his/her right to access letters of recommendation must provide a signed statement of waiver to the author of the letter or the Office of the Registrar.

Amendment of Record

A currently enrolled or former student has the right to request an amendment of records that he/she believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A request to amend a record should be made in writing to the University official responsible for the record, clearly identifying the part of the record the student wants changed and specifying why it should be changed. If the student's request to amend is denied, the University official will notify the student in writing of the decision and the right to a hearing on the decision.

A request for a hearing on the denial of a request to amend records must be made in writing to the Chairperson of the Committee on Release of Confidential Information through the Office of the Provost. The Committee will assign a hearing officer to conduct the hearing. The student is entitled to have an advisor present at the hearing at the student's expense. The University may designate an individual to represent its interests.

Following the hearing, the hearing officer will prepare a report with a recommendation and send copies of same to the Chairperson of the Committee, the student, and the University official responsible for the records. Within ten (10) days of receipt of the hearing officer's decision, the student or the University may make an appeal in writing to the Provost. The Provost will make a final determination on such an appeal in a timely manner following review of records of the hearing, the hearing officer's report, and any other relevant information. If the Provost determines the record is factually incorrect, the record shall be amended in accord with the final determination. If the student is dissatisfied with the final determination, the student has the right to file a complaint with the Family Policy Compliance Office at the U.S. Department of Education.

Disclosure to Third Parties

Personally identifiable information from a student's education records may not be released to third parties without the student's prior written consent, with certain exceptions. The exceptions to the consent requirement are limited to the following:

- 1. Disclosure to School Officials.** Student records can be disclosed without written consent to school officials who have a legitimate educational interest in the records. All confidential records may be disclosed only on a NEED TO KNOW BASIS. Specifically, a school official requesting information must have a legitimate need for the requested information for the effective functioning of his or her position or office. Determination as to whether the need to know requirement has been satisfied is made by the head administrator for the unit retaining the information or by the President of the University. All information released can only be used for the purpose intended.
For purposes of the school officials exception, education records may be disclosed without consent to contractors, consultants, and other outside parties to whom the University has outsourced institutional services or functions that it would otherwise use employees to perform, provided that the outside party is under the direct control of the University with respect to the use and maintenance of the education records and subject to the same conditions governing the use and redisclosure of education records that apply to other school officials. The outside party must sign a statement indicating their compliance with the non-redisclosure provisions of FERPA prior to receiving any student information.
- 2. Disclosure pursuant to Judicial Order.** Student education records may be released if properly subpoenaed pursuant to a judicial, legislative, or administrative proceeding. In all such cases, reasonable attempts will be made to notify the student of the judicial order in advance of compliance, as permitted by law.
- 3. Disclosure pursuant to Requests for Financial Aid.** Student education records relevant to the student's application for, or receipt of, financial aid may be disclosed without the student's prior written consent.
- 4. Disclosure to Federal and State Authorities.** Authorized federal and state officials may have access to student education records as required by the audit and evaluation of state and federally supported education programs, or in connection with the enforcement of federal legal requirements which relate to such programs.
- 5. Disclosure to Accrediting and Professional Associations.** Designated representatives of accrediting and other professional organizations with which the University is affiliated may have access to student education records to the extent necessary to fulfill the obligation of that affiliation.
- 6. Disclosure pursuant to Student's Delinquency on Payment.** Student education records may be disclosed as necessary to effect collection of a student's financial obligations to the University.
- 7. Disclosure pursuant to Litigation against the University.** Student education records deemed necessary for the defense of the University in a suit filed by a student may be disclosed to attorneys representing the University.
- 8. PROTECTION OF UNIVERSITY FUNCTIONS AND SERVICES GENERAL STUDENT REGULATIONS, 5.00

Functions, services, and processes of the University must be protected if the institution is to be effective in discharging its responsibilities; therefore, no student shall:

- 5.01 provide false information for the purpose of gaining benefit for oneself or others to any office, agency, or individual acting on behalf of the University.
- 5.02 interfere with the functions and services of the University (for example, including, but not limited to, classes, social, cultural, and athletic events, computing services, registration, housing and food services, governance meetings and judicial hearings) such that the function or service is obstructed or disrupted.
- 5.03 alter or forge any University document and/or record, including identification materials, issued or used by the University.
- 5.04 allow any University document and/or record, including identification materials, issued by the University for one's own use to be used by another.
- 5.05 use any University document and/or record for other than its authorized purpose, including identification materials issued to another.
- 5.06 act as an agent of the University unless authorized to do so.

- 5.08 without proper authorization, sell or make contracts for purchase or delivery of any commercial merchandise or services for personal profit or gain, or solicit voluntary contributions for organizations.

COUNTERFEITING, ALTERING AND COPYING MSU ORDINANCES, 14.00

- 14.01 False copy
- 14.02 Possession of false copy
- 14.03 Unauthorized keys

.01 No person with intent to injure or defraud shall falsely make, forge, manufacture, print, reproduce, copy, tamper with, or alter, any writing, record, document or identification used or maintained by Michigan State University.

.02 No person shall knowingly possess, display or cause or permit to be displayed any writing, record, document, or identification form used or maintained by Michigan State University knowing the same to be fictitious, altered, forged, counterfeited or made without proper authority.

.03 No person without proper authority shall knowingly possess, make, or cause to be made, any key, card, or unlocking device, to operate any lock or locking mechanism used or maintained by Michigan State University.

POLICY ON RELIGIOUS OBSERVANCE

It has always been the policy of the University to permit students and faculty to observe those holidays set aside by their chosen religious faith.

The faculty and staff should be sensitive to the observance of these holidays so that students who absent themselves from classes on these days are not seriously disadvantaged. It is the responsibility of those students who wish to be absent to make arrangements in advance with their instructors. It is also the responsibility of those faculty who wish to be absent to make arrangements in advance with their chairpersons, who shall assume the responsibility for covering their classes.

As Michigan State University has become increasingly multicultural, the incidence of conflicts between mandatory academic requirements and religious observances has increased. In the absence of a simple and dignified way to determine the validity of individual claims, the claim of a religious conflict should be accepted at face value. Be aware that some degrees of observance may have a more extensive period of observance. Instructors may expect a reasonable limit to the number of requests by any one student. Some instructors attempt to cover all reasons for student absences from required academic events such as quizzes or exams with a blanket policy, e.g., allowing the student to drop one grade or two quizzes without penalty. If this is meant to extend to religious observances, the instructor should state this clearly at the beginning of the term. If instructors require make-up exams, they retain the right to determine the content of the exams and the conditions of administration, giving due consideration to equitable treatment.

LIBRARY LENDING POLICIES

Borrowers are responsible for understanding the policies related to any library material they check out. Disregard for library policies may result in permanent suspension of MSU Library borrowing privileges.

Items on open shelves are available for anyone to use in the library. However, to check out material (or use material on reserve, in the Digital and Multimedia Center or behind a service desk), an MSU ID or a library card and picture ID must be presented. Material may not be taken from the library without being checked out.

Borrowers are responsible for knowing the date material is due and returning (or renewing) it promptly.

Material may not be checked out for others. A borrower is financially responsible for all material checked out using his/her card. Therefore, theft/loss of an MSU ID or library card must be reported immediately by calling Circulation at 517.355.2333.

Borrower Responsibilities and Lending Policies

1. Care of Material

Material must be returned in the same condition as when it was checked out. Borrowers may not write in books, turn down page corners, or use "post-it"-type notes/flags. Borrowers are financially responsible for damage that occurs while material is checked out to them. To protect themselves, borrowers who notice damage before checking out material should bring it to the attention of the Circulation Supervisor, who will note the damage and flag it for repair upon return. Borrowers are also financially responsible for material that is lost or stolen while checked out to them, so checked out items should never be left unattended.

Checked-out material will be recalled if requested by another and may be given an earlier due date. These must be promptly returned to avoid recall fines. To prevent recall fines while away from MSU (breaks between semesters, vacation, sabbatical, university business, etc.), material should be returned before leaving or arrangements made for someone to watch your mail for recalls, have access to your checked out material, and return recalled items.

GENERAL INFORMATION, POLICIES, PROCEDURES AND REGULATIONS

General Procedures and Regulations

2. Returning Material

Please return DVDs, videos, CDs, records, ILLiad/MeLCat items, laptops and items from Reserve, Reference, Art, Maps, Music, and Software to the desk where they were checked out. Place other material in any book return, at the Main Library (24 hour drops are at both entrances) or a branch -- or mail it to: Book Returns, Circulation, MSU, 100 Library, East Lansing, MI 48824-1048; insurance of at least \$50 per volume is suggested. (If overdue fines are involved, the postmark will be considered the date of return.)

If you need confirmation of the return of library material, please take it to the Main Library Circulation Desk and request a receipt from the Supervisor.

3. Address Responsibilities Regarding Circulation Notices

Borrowers are responsible for fines resulting from un-received or un-read mail or e-mail. Therefore, you must keep the University/library updated with your current address. Library addresses for MSU students are loaded automatically from MSU Registrar records. The MSU Registrar requires students to report local/permanent address changes on the 'Address Change' link at <http://www.reg.msu.edu> or 150 Administration Building. If a student does not move, the Registrar requires reconfirmation of local address at the beginning of each summer and fall semester. If a student does not reconfirm, the local address expires and mail is sent to the permanent address. Faculty/staff members must update home addresses in the 'Personal Information' section of the ESS tab. Consult your MSU departmental secretary to update your campus address. Community borrowers must report changes in e-mail and postal address at the Main Library Circulation Desk or via e-mail to CircAdm@mail.lib.msu.edu. (We cannot take address changes over the phone.)

4. E-mail Responsibilities Regarding Circulation Notices

Borrowers must assure that e-mail from msu.edu e-mail addresses is not diverted to spam quarantine files. Notices about library material are sent to the MSU e-mail addresses of students, faculty, and staff, so you must read MSU e-mail often or set your MSU e-mail to forward to an e-mail account that you read regularly.

5. Overdue Fines and Bills for Replacement of Long-Overdue Material

Fines and bills are the responsibility of the borrower regardless of being away from campus for breaks between semesters, vacations, exams, illness, car trouble, sabbatical leaves, unread MSU e-mail, late or never-received reminder notices, etc. Fine amounts are not calculated until after material is returned. Material returned after closing is not considered returned until the next day the library is open.

If a borrower owes money, privileges are suspended without notice. Payment may be made by mail (address at the end of these policies), at the Main Circulation Desk, or by calling 517.355.2333 with Visa/MasterCard.

No fines are charged for most material in the MSU Libraries, but overdue fines are charged for the following high-demand material items when returned after the due date.

Reserves: \$1.00 per hour. Laptops (available in some branches) and Collaborative Technology Lab material: \$6.00/hour. NOTE: Our system considers an item that is one minute overdue to be a full hour overdue. Therefore, the full hourly amount is assessed for any portion of an hour overdue, even one minute.

Recalled material, software, CDs, records, videos, DVDs, 7-day items: \$1 per day. Material borrowed from other libraries (interlibrary loan, ILLiad, or MeLCat): \$2 per day.

When an item is significantly overdue, the borrower is billed for its replacement and borrowing privileges are suspended without notice until the account is paid in full or material is returned or replaced by the borrower. Holds are placed on MSU student enrollment, registration, diplomas, and transcripts at the same time.

Minimum replacement charges are \$50 for a book, \$75 for a periodical, \$100 for an item not found in Books in Print. Current market value is charged whenever it is higher than the minimum replacement charge.

Billed material cannot be renewed online. It must be brought to Circulation or a branch library for renewal.

When a billed item is returned, the replacement charge is cancelled but overdue fines may be charged.

Unresolved bills may be turned over to a collection agency any time after 30 days from date of issue.

6. Renewals

Library material must be renewed to extend the due date; renewals are not automatic. Borrowers may renew eligible material online via "Your Library Account" at: <http://www.lib.msu.edu> — phone renewals are not possible. All material may be renewed except recalled items and reserves, software, CDs, DVDs, videos, records, videodiscs, special permission checkouts, laptops, and some 3-day and 7-day material.

7. Recall of Checked Out Material

The library usually has only one copy of each title to support the information needs of the entire MSU community. Therefore, we will recall any checked-out material if it is requested by someone else. Recalled material cannot be renewed. If the original due date is more than fourteen days in the future, the recall notice will include a new due date (earlier than the original due date).

If a recalled item is not returned by the specified date (which is usually fourteen days after item is recalled), the borrower's library privileges will be suspended until it is returned and recall fines of \$1 per day will be charged. Fines for items returned after the recall due date are the responsibility of the borrower regardless of being away from campus for breaks between semesters, vacations, exams, illness, car trouble, sabbatical leaves, off-campus university business, unread MSU e-mail, late or never-received recall or reminder notices, etc. If a borrower will be away, that person must assure that checked out material will be available to others during the absence. Material should either be returned before leaving or arrangements made for someone to watch the borrower's mail for recalls, have access to checked out material, and return recalled items.

If you need an item that is checked out, please request a "recall" at the Main Library Circulation Desk, a branch library, or by using the recall request form (www.lib.msu.edu/howto/recall.jsp). Circulation staff will send the borrower a recall notice, indicating that the material must be returned within fourteen days or be subject to fines of \$1 per day. When returned, the material will be held at its owning location for ten days and you will be notified where to pick it up.

8. Library Cards/MSU ID Cards for MSU Students, Faculty, and Staff

Material may not be checked out for others. A borrower is financially responsible for all material checked out using his/her card. Therefore, theft/loss of an MSU ID must be reported immediately by calling Circulation at 517.355.2333. Library privileges expire when an individual leaves MSU.

MSU IDs (available for students, faculty and staff at the MSU ID Office, Academic Technology Services, 405 Computer Center,) are issued with a library barcode. When a registered MSU student or a current MSU faculty/staff member with an MSU ID card activates his/her MSUNet ID, the barcode number is entered automatically into library records.

If a borrower's library card or MSU ID lacks a picture, another photo ID is required to check out material.

9. Accommodation for Persons with Disabilities

Accommodation related to checking out library material may be requested calling 517.884.6458 or by e-mailing atc@mail.lib.msu.edu

10. Library Cards for Michigan Residents

Michigan residents at least eighteen years old (who are not current MSU students, faculty, or staff) are eligible for community library privileges if they show a valid Michigan driver's license or State of Michigan picture ID card (available from the Michigan Secretary of State). If the individual has no outstanding charges from a previous MSU library account, a library card will be issued. Community borrowers may not check out periodicals or laptops.

11. Checking Out Material

Each time a borrower wishes to check out material, he/she must present his/her own current MSU ID or library card and a photo ID card. One's library card and a photo ID are also required to use Reserve material, items in the Digital and Multimedia Center, or any other material requested from library staff.

12. Main Library Loan Periods

Some materials cannot be checked out at all, including high-use periodicals published within the last ten years, Art journals, Reference material, Special Collections material, microforms, etc. Limiting use of these high demand materials to the library provides availability to all users. Reserve materials circulate to all borrowers for 2 hours, 24 hours, 3 days, or 7 days (as specified by the MSU instructor). NOTE: Reserve material with a "two hour no overnight" loan period is library-use only. Policies differ in some areas and in some branches.

Loan periods for most other types of library material are below:

Faculty, Staff, and Faculty/Staff spouses/Domestic partners: 180 days

Graduate Students: 180 days

Undergraduates: 21 days

Student Spouses/Student Domestic Partners and Community Borrowers: 14 days

For detailed policies, call Circulation at 517/355-2333.

13. Michigan Law and University Policies

Michigan Compiled Law (MCL750.391) defines damaging library material (or keeping it overdue) as larceny.

The confidentiality of library records in the state of Michigan is protected by "The Library Privacy Act," Michigan Compiled Laws (MCL 397.601-606, Act 455 of 1982). Federal law may supersede Michigan Law.

Removing material from the MSU Libraries without checking it out may result in criminal charges.

MSU ID cards are property of MSU; if used by anyone other than the owner, an MSU ID will be confiscated.

THE CAMPUS

The Michigan State University campus in East Lansing occupies 5,239 contiguous acres and has long been recognized as one of the most beautiful in the nation. The developed campus comprises 2,100 acres, and the remaining 3,139 acres are devoted to experimental farms, outlying research facilities, and a 36-hole golf course. Combined, the developed campus and farms area also contain 27 natural areas which encompass more than 700 acres. The gently rolling campus is graced by a park-like landscape, traversed by the scenic tree-lined Red Cedar River. Campus beauty is enhanced by a mature collection of trees, shrubs, and woody vines that serve teaching, research and outreach functions with over 36,000 plants accounted for in an interactive digital database. Planting of trees on the arboretum-like campus began shortly after its founding in 1855. A more formal collection of trees was initiated on campus in 1874 in what is known as the the Campus Woody Plant Collection. The rich campus open space complements and unifies the 559 permanent university buildings that provide over 22.8 million gross square feet of space to serve the institution's land-grant mission.

The spacious arboretum-like campus is punctuated at intervals by focal points of plant interest. Notable among these are the W. J. Beal Botanical Garden, the Horticultural Demonstration Gardens, the 4-H Children's Garden, the C.E. Lewis Landscape Arboretum, the West Circle Drive loop, and the Sanford, Red Cedar, Baker, Beal Pinetum, Bear Lake, and Toumey Natural Areas. The W. J. Beal Botanical Garden, established in 1873 to support teaching and research Campuswide, is recognized as the oldest botanical garden on a North American university campus and is the place modern hybrid corn was first developed. It includes approximately 2,500 taxa organized in economic, systematic, ecological, and landscape groupings and participates in the global botanic garden community through information, plant and seed exchanges. The Horticultural Demonstration Gardens, which showcase beautiful displays of over 1200 varieties of flowering plants, are used for instruction and demonstration and for testing the performance of plants in the climate of central Michigan. They include both All-American Trial and Euro-Select Trial Gardens for annual plants and an All-American Display Garden for roses. Natural areas on the campus are protected vestiges of our natural heritage and include Toumey Woodlot, an old-growth beech-maple forest designated by the U.S. Department of the Interior as a Natural Landmark. Management of the natural areas is held to a minimum necessary to assure that their manifold teaching, research, recreational, and inspirational values will continue to serve generations of future students, staff, and faculty.

ABRAMS PLANETARIUM

The Abrams Planetarium provides university instruction, special programs for visiting elementary and secondary school children, and educational entertainment for the public, www.pa.msu.edu. See the *College of Natural Science* section of this catalog for additional information.

ALUMNI MEMORIAL CHAPEL

Nestled amidst the shrubs and upon the lawns that slope gently down to the Red Cedar River stands the picturesque Alumni Memorial Chapel. Thousands of Michigan State University students and alumni have chosen the chapel to hold their wedding ceremonies since its dedication on June 7, 1952. Its simple elegance, timbered ceilings, stained glass windows and Collegiate Gothic charm are among the reasons many travel from around the world

to celebrate weddings, baptisms, and memorials at their alma mater.

The chapel was built "in honor of those who served their country" and "in memory of those students and alumni who made the supreme sacrifice." Over 5,000 alumni and friends of the university raised the initial \$200,000 to build the chapel.

The Michigan State University Alumni Memorial Chapel seats 190 people. Accommodating all faiths, each ceremony is treated with the same care and reverence. This commitment to excellence has made countless weddings at the chapel unique. To schedule use of the Michigan State University Alumni Memorial Chapel, contact the Michigan State University Hospitality Sales office at 1-517-432-3086.

The Academic Assembly is an all-university representative body that represents undergraduate students on relevant academic issues, and appoints undergraduate students to Academic Governance committees as determined by the Bylaws for Academic Governance. The assembly is composed of two elected representatives from each college and one representative selected from each of the following groups: Black Student Alliance, Cultural de las Razas Unidas, North American Indigenous Student Organization, Asian Pacific American Student Organization, Alliance of Lesbian, Bisexual, Gay, Transgender, and Ally Students, Council of Students with Disabilities, Women's Council, Arab Cultural Society, International Student Association, Jewish Student Union, Interfraternity Council, Panhellenic Council, National Pan-Hellenic Council, Independent Greek Council and Residence Hall Association. The Academic Assembly represents students on academically related issues, provides forums for dis-

ussion of these issues, and approves appointments of undergraduates to Standing Committees of Academic Council.

The General Assembly (GA) is composed of proportional representation elected from each college and one representative selected by each of the following groups: MSU Student Housing Cooperative, Interfraternity Council, Panhellenic Council, National Pan-hellenic Council, Independent Greek Council, Jewish Student Union, Residence Halls Association, University Apartments Council of Residents, Arab Cultural Society, Black Student Alliance, Cultural de las Razas Unidas, North American Indigenous Student Organization, Asian Pacific American Student Organization, International Student Association, Alliance of Queer and Ally Students (AQAS), Women's Council, Council of Students with Disabilities, Campus Interfaith Council, and Spartan Armed Forces Council. The GA represents students on relevant issues, provides a forum for discussion of these issues, provides free legal services, bluebooks, inexpensive copying, interest free loans, approves appointments of undergraduates to various University committees, provides the free Readership Program and special student services, and acts as the official representative for the welfare and rights of undergraduate students.

The ASMSU Programming Board is responsible for facilitating, organizing and executing programming of an all-university nature for the Michigan State University student body and is comprised of a Board of Directors. The Programming Board is funded through student tax monies and revenues from sponsored events. The Board emphasizes programming in the areas of concerts; lectures/speakers; racial/ethnic, cultural, and international programs, special interest activities, and telecommunications media.

The Funding Board has 12 selected student members and allocates ASMSU monies to registered student organizations with at least 50 percent undergraduate student membership for print media, programming, and projects. The allocations are made on a semester basis. Up to \$4,500 is granted to each selected registered student organization (RSO).

Council Of Graduate Students

The Council of Graduate Students (COGS) represents all registered Michigan State University graduate and graduate-professional students. COGS is composed of one representative from each degree-granting unit and seven officers. COGS exists to promote the academic, social, and economic aims of graduate and graduate-professional students; to establish effective communication among these students; and to create channels of communication with other student organizations and with the academic and administrative units of the university. COGS maintains an office at 316 Student Services Building where it provides a copy service and a thesis and dissertation printing service. A loan program sponsored by COGS is administered by the Office of Financial Aid. ASMSU/COGS Legal Services provides graduate students a prepaid legal services plan.

Greek Community

Since 1872, Michigan State University students have had the choice of participating in a nationally affiliated Greek letter organization. Today, the Greek community is comprised of 54 internationally affiliated social Greek letter organizations with a combined membership of over 2,500 students. Greek letter organizations merge almost every segment of the campus community into their chapters-leadership development, community service, athletics, social life, housing, management and business functions, alumni relations, accountability, and responsibility. Through quality educational experiences, fraternities and sororities support the Guiding Principles of the institution, as well as provide an

avenue whereby all students experience active learning through self-governance.

The 54 fraternities and sororities are governed by governing councils responsible for representing constituents to the greater campus and East Lansing communities, providing programs and services to chapters and their members, and creating and enforcing standards and policies throughout the Greek community. Through mutual interdependence, the governing councils assist all 54 member organizations in providing a quality Greek experience for their members. The governing councils include:

- Interfraternity Council (IFC), governing 24 internationally affiliated men's Greek letter organizations.
- Panhellenic Council (Panhell), governing 13 National Panhellenic Council Greek letter organizations
- National Pan-Hellenic Council (NPHC), governing 9 historically African-American men's and women's Greek letter organizations.
- Independent Greek Council, governing 9 multicultural men's and women's Greek letter organizations.

Other community-wide organizations that are collaboratively coordinated by the governing councils include: Greek Week, the Order of Omega National Greek Leadership Honorary, and Gamma Sigma Alpha, the national Greek Academic Honorary.

For more information on the Greek community, contact the Department of Student Life, 101 Student Services Building, 1-517-355-8286 or www.msugreeklife.org.

Student Housing Cooperative

The Student Housing Cooperative (SHC) is the governing group for cooperative living units. Cooperatives are student owned and managed organizations that contribute to the living experiences, social benefits, and economic savings of the members. The SHC meets regularly to discuss problems and coordinate activities of cooperative living and is represented on the ASMSU General Assembly. The primary goal of the SHC is to provide affordable housing for the East Lansing area. Additional purposes and goals are: democratic control, open and voluntary membership, continuous education, improvement of services, and cooperation and communication among cooperatives.

Information about cooperatives is available at the MSU Student Housing Cooperative office, 541 E. Grand River, East Lansing, MI 48823, or telephone 1-517-355-8313.

UACOR provides activities and services to residents. They also represent students' views to University Housing Management staff, Residence Life, and other institutional partners.

The Executive Board, along with Village Representatives, are elected by the general membership. Voting privileges are extended to the aforementioned. Residents are encouraged to participate in monthly Town Meetings and bring their ideas, interests, and concerns to the attention of UACOR. A tax is assessed to each student resident every semester. RHA is recognized as a legitimate part of the university decision-making process and its purposes include: developing communication between individual halls and the university community; sponsoring and coordinating all-university activities for students living in residence halls; formulating policy and regulations pertaining to residence halls students; and representing areas of interest and concern to such students. In addition, RHA also sponsors workshops, the Campus Center Cinemas, Movie Rental offices, concerts, and special events. All residents of Michigan State University undergraduate residence halls are members of RHA and may exercise their voting rights and opinions through the representatives of their respective halls. A tax is collected during registration for fall and for spring semesters from each undergraduate student living in a residence hall to support the activities listed above. The fall and spring only tax also supports the functions of each hall government. Contact RHA at: rha@msu.edu.

Owen Graduate Association

Owen Graduate Association (OGA) represents the interests of Owen Graduate Hall residents and functions as the major governing body for that hall. OGA provides a program of information and services for Owen Graduate Hall residents and participates in the formulation of policies and regulations pertaining to residents of that hall. All residents of Owen Graduate Hall are members of OGA and pay a tax to support the activities of the OGA.
