COMMUNICATIVE SCIENCES AND **DISORDERS**

CSD

Department of Communicative Sciences and Disorders **College of Communication Arts and Sciences**

203 Introduction to Communicative Sciences and Disorders

Fall, Spring. 3(3-0) SA: ASC 203

Survey of research and practice regarding speech, hearing, and language disorders in children and

213 Anatomy and Physiology of the Speech and Hearing Mechanisms

Fall, Spring. 3(3-0) P: CSD 203 or concurrently SA: ASC 214

Structural and functional analyses of the central and peripheral auditory mechanisms, and of the respiratory, phonatory, and articulatory mechanisms for speech.

232 **Descriptive Phonetics**

Fall, Spring. 2(1-2) SA: ASC 232

Principles of speech production. Transcription of speech using the International Phonetic Alphabet.

303

Hearing Science Fall. 3(3-0) P: MTH 112 or MTH 152H or MTH 110 or MTH 201 or MTH 116 or STT 200 or MTH 124 or STT 201 or MTH 132 or MTH 103 RB: Completion of one ISP course. R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 255, ASC 303

Physical and psychological aspects of sound and their measurement.

313 Speech Science

Spring. 3(3-0) P: CSD 213 and (CSD 232 or concurrently) RB: Completion of one ISP course R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 255, ASC 313

Processes underlying the production and perception of speech.

333 **Oral Language Development**

Fall, Spring, Summer. 3(3-0) P: PSY 101 or LIN 200 or LIN 401 or ENG 302 R: Not open to freshmen. SA: ASC 333

Development of receptive and expressive aspects of child language.

Evaluation Procedures in Audiology 344

Spring. 4(3-2) P: (CSD 303) and completion of Tier I writing requirement R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 344

Classification of hearing disorders. Behavioral and electrophysiological measurement of hearing, including subjective and objective testing procedures.

364 **Evaluation Procedures in Speech-**Language Pathology

Fall. 4(3-2) P: (CSD 313) and completion of Tier I writing requirement R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 364

Evaluation procedures in speech-language pathology. Test procedures. Analysis of results. Report

391 Observation and Analysis of Clinical Practice

Fall, Spring. 1(0-2) P: CSD 344 and CSD 364 SA: ASC 394

Case presentations. Interviewing techniques. Behavioral observation and data collection. Behavior management. Counseling. Session plan and report

419 International Aspects of Communicative Disorders

Spring, Summer. 1 to 6 credits. Summer: London, England. A student may earn a maximum of 9 credits in all enrollments for this course. P: CSD 213 and CSD 303 and CSD 313 and CSD 333 R: Approval of department. SA: ASC 419

Human communication disorders in international settinas.

433 Language Dialect Differences in Applied Contexts

Fall. 3(3-0) P: CSD 333 or LIN 200 or LIN 401 or ENG 302 SA: ASC 433

Regional, ethnic, and cultural characteristics of American English. Comparison of speech-language differences and disorders.

Audiologic Rehabilitation

Fall. 4(4-0) P: CSD 344 R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 443

Fundamental aspects of audiologic rehabilitation. Individual and group amplification systems, auditory training, speechreading, and counseling with child-

453 **Mind-Body Communication**

Fall, Spring. 3(3-0) R: Not open to freshmen or sophomores. SA: ASC 453

Beliefs, thoughts, and emotions affecting the human body and behavior. Intrapersonal communication. Applications to health, education, business, and motor performance.

Intervention Procedures in Speech-463

Language Pathology Spring. 3(3-0) P: CSD 364 R: Open to undergraduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 463

Intervention procedures for individuals with developmental and acquired communication disorders

Phonological Disorders in Children

lopmental phonological disorders.

Spring. 3(3-0) P: CSD 364 SA: ASC 473 Nature, basis, assessment, and treatment of deve-

School-Based Communicative Disorders Programs

Spring. 3(3-0) P: CSD 463 or concurrently SA: ASC 483

Administrative, regulatory, and practice aspects of school-based programs for persons with communicative disorders.

490 Independent Study

Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 8 credits in all enrollments for this course. R: Approval of department. SA: ASC 490

Individualized student activities in human communicative sciences and disorders.

Topics in Communicative Sciences and Disorders

Fall, Spring. 1 to 3 credits. A student may earn a maximum of 6 credits in all enrollments for this course. R: Approval of department. SA: ASC 491

Varying topics related to normal or disordered communication.

803 Research Methods in Communicative Sciences and Disorders

Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 803

Hypothesis generation, experimental design, data collection, data analysis, and presentation.

Neuroanatomy and Neurophysiology of Speech, Language, and Hearing

Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 813

Structural and functional descriptions of the nervous system as it relates to communication sciences and disorders

823A

Acquired Language Disorders
Spring. 3(3-0) P: CSD 813 R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823A

Neuropathology, symptomatology, and speechlanguage rehabilitation of individuals with aphasia and related disorders.

Motor Speech Disorders

Fall. 3(3-0) P: CSD 813 RB: CSD 813 or concurrently R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823B

Neuropathology, symptomatology, and speech-language habilitation and rehabilitation of individuals with motor speech disorders.

823C **Voice Disorders**

Spring. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823C

Etiology, symptomatology, diagnosis, and treatment of voice disorders in children and adults.

Fluency Disorders 823D

Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823D

History, theories, symptomatology, diagnosis, and treatment of fluency disorders in children and adults.

Assessment of Childhood Language 823E

Fall. 3(2-2) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823E

Evaluation of language disorders of preschool, school-aged, and adolescent populations.

823F Language Intervention: Early Stages

Spring. 3(3-0) P: CSD 823É R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823F

Principles of intervention in language disorders for children functioning at or below preschool levels, regardless of chronological age.

823G Language Intervention: Later Stages

Summer. 3(3-0) P: CSD 823E R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823G

Principles of intervention in language disorders for school-age children and adolescents functioning above preschool levels.

823I Cognitive-Communicative Disorders

Spring. 3(3-0) P: CSD 813 and CSD 823A and CSD 823B SA: ASC 823I

Neurophysiological, speech-language, cognitive, neuropsychological, and social/emotional rehabilitation associated with traumatic brain injury, dementia, and right hemisphere neurological disorders.

823J Medical Aspects of Speech-Language Pathology

Fall. 3(2-2) P: CSD 813 and CSD 823C SA: ASC 823J C: CSD 823B concurrently.

Introduction to assessment, intervention, and management of persons with laryngectomy, tracheostomy, ventilator-dependence, and cleft lip and palate. Intensive study of the clinical procedures and instrumentation employed by speech-language pathologists who practice in medical settings.

823K Assessment and Treatment of Dysphagia Summer. 3(3-0) P: CSD 813 RB: CSD 823A

and CSD 823C SA: ASC 823K

Introduction to assessment, intervention, and management of persons with swallowing disorders.

823L Counseling in Communicative Disorders Summer. 3(3-0) P: CSD 364 or CSD 344 SA: ASC 823L

Overview of counseling issues related to communication disorders

823X Augmentative Communication

Spring. 3(3-0) SA: ASC 823X

History and philosophy of augmentative communication. Assessment, system selection, and intervention considerations for aided and unaided systems. Synthesized voice output and micro-processorbased systems.

843C Hearing Amplification I

Fall. 3($\overline{3}$ -0) \dot{R} : Approval of department. SA: ASC 843C

Historical and contemporary overview of personal amplification for individuals with hearing impairment. Theoretical and clinical strategies for evaluating and fitting contemporary hearing aids.

843I Hearing Amplification II

Spring. 3(3-0) R: Approval of department. SA: ASC 843I

Advanced theoretical and clinical strategies for evaluating and fitting contemporary hearing aids. Assistive-listening devices, classroom amplification, hearing-aid dispensing, and contemporary clinical and research issues in amplification.

843J Manual Communication for Clinical Settings

Summer. 3(3-0) P: CSD 344

Introduction to the use of manually coded English sign systems and Pidgin Sign English in diagnostic and treatment sessions.

883 Clinical Practicum in Speech-Language Pathology

Fall, Spring, Summer. 3(0-15) A student may earn a maximum of 15 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 894A

Supervised clinical experience in the management of clients with speech-language disorders.

890 Independent Study

Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 8 credits in all enrollments for this course. R: Open to masters students in the Communicative Sciences and Disorders major. Approval of department. SA: ASC 890

Individualized study under faculty direction.

899 Master's Thesis Research

Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 6 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 899

Master's thesis research.

914A Speech Production

Spring of even years. 4(3-2) SA: ASC 914A Issues in speech production. Reference to human communication and its disorders.

990 Independent Study

Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 16 credits in all enrollments for this course. R: Open to graduate students. Approval of department. SA: ASC 990

Individualized study under faculty direction.

991 Special Topics in Communicative Sciences and Disorders

Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 12 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 991

Selected topics in human communication and its

992 Seminar in Communicative Sciences and Disorders

Fall, Spring. 3(3-0) A student may earn a maximum of 12 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 992

Topical themes in human communication and its disorders.

994 Research Practicum in Communicative Sciences and Disorders

Fall, Spring, Summer. 1(0-2) A student may earn a maximum of 12 credits in all enrollments for this course. RB: CSD 803 or concurrently R: Approval of department. SA: ASC 994

Individual research under faculty supervision.

999 Doctoral Dissertation Research

Fall, Spring, Summer. 1 to 24 credits. A student may earn a maximum of 99 credits in all enrollments for this course. R: Open to doctoral students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 999

Doctoral dissertation research.
